TOKYO (AP) — Driving rain and high winds lashed the Tokyo area and all of central Japan today as a roaring Pacific typhoon began breaking up.

No additional casualties or damage were reported, but the storm still carried enough force to keep the luxury liner President Cleveland from docking at Yokohama.

Kyodo news service said typhoon casualties in southern Japan, hit by the storm yesterday, included 20 persons known dead, 35 missing and 38 injured. Property losses were in the millions of dollars.

### Reds Sentence Profiteers

HONG KONG (AP) — The Chinese Communists have imposed prison sentences and fines on persons accused in Tientsin of supplying several hundred thousand rotten rubber shoes to Red soldiers in Korea.

The case, described as the "law-breaking case of 18 private rubber goods factories of Tientsin," broke into the Red press last year. Reports said the shoes came apart on the soldiers' feet in the field.

A preliminary investigation showed, said Peiping, that the rubber had been adulterated, poor chemicals used causing the soles to part from the uppers, fats were substituted for rubber, formulas were tampered with, contacts were fulfilled late or weren't fulfilled at all, and outdated materials used.

Managers and a few government officials were brought to public trial. They were also accused of robbing the state of about \$100,000 through diversion of good rubber and good canvas to their own use.

The plants apparently were trying to stretch inadequate rubber, canvas and chemical stocks to meet target quotas assigned them that were too big. At that time—1951-52 — a prime sin in China was to fail to make target in a vital industry.

**TOUR**

TOKYO (AP) — The influential newspaper Tokyo Shimbun said today Prime Minister Shigeru Yoshida will leave Tokyo by plane for Vancouver, B.C., Sept. 25 or 27 on the first lap of a long-delayed foreign tour which will include a visit to the United States.

**Thief Gets Small Loot From GOP**  
NEWARK, N.J. (AP) — A sneak thief, apparently unfamiliar with Grand Old Party financing, ransacked the offices of the State Republican Finance Committee yesterday.

His total loot: a \$10 bill.

A committee spokesman said the Republicans keep their contributions in a bank.
