

ENJOYING A CATNAP (or a calfnap) with Babs, second place winner in the Hereford heifer class, as a pillow, is 10 year old Melvin Grigsby, 1928 Arthur. Photog. sneaked the shot at the barns during the Junior Livestock sale. Babs is owned by Dorothy Acklin, member of the Olene Beef Club who stayed with the Grigsby family during the three day show and sale. Melvin is a carrier for the Herald and News.

Communists Triumphantly Present German Traitor

BERLIN (U-P) — A West German Parliament deputy from Chancellor Konrad Adenauer's Christian Democratic party, who defected to the Communists a week ago, told an East Berlin news conference today he fears the Adenauer government "with American prodding" is driving Germany toward war and ruin.

The Communist Eastern government triumphantly presented former Parliament Deputy Karl Schmidt-Wittmack to an international press conference in the Soviet sector today, just as they did former West German security chief Otto John on Aug. 11.

The 40-year-old Schmidt-Wittmack, who was deputy chairman of Adenauer's CDU party in Hamburg, crossed into the East just a week ago with his wife and daughter.

West German authorities have ruefully admitted that, as a member of key parliamentary committees on German rearmament and Western anti-Communist work in the East, he could betray many secrets to the Reds. Before he fled, he emptied his office files.

Ship Seized For Cleaning Bill

PHILADELPHIA (U-P) — The sheriff's office seized a converted tanker under a writ of attachment yesterday for an unpaid cleaning bill of \$1,375.

The action was the first within memory of veteran court attaches.

The tanker was seized on a writ obtained by Airken Sales and Services of Philadelphia, which was hired to clean, deodorize and equip the tanker as a cargo vessel. The firm says it was never paid for the job.

Klamath Men To Hunt In Canada

Four Klamath Falls men left this morning for New Lethbridge, Alberta, Canada, for a two or three-week hunting trip.

The men, who are driving, are N. B. Drew and his son, Greer Drew, Al Hattan and Louis Soukup. Their chosen hunting area is near Pincher Creek, a region on the opposite slope of the Rockies which has been closed as a reserve for 40 years.

The guided hunt will look for sheep, mountain goats and grizzly bears.

SEUL (U-P) — The South Korean National Assembly Wednesday appealed to the U.N. General Assembly for "an immediate dissolution" of the Neutral Nations Supervisory Commission.
