

NEWEST FLING for the campus clan, "Hop-Scotch," by Dorothy Gray is a gay plaid package filled with two jeweled Super-Stay lipsticks with lanolin and a Super-Stay nail polish. The lipstick shades are the light, bright shades keyed to important fall fashion colors. Really Pink is a soft, flattering pink and Figurine Look is a rosy coral. Nail polish harmonizes. Costume shown here is a Hopscotch Plaid by Brigrance of Sportmaker.

Kidney Slow-Down May Bring Restless Nights

When kidney function slows down, many folks complain of nagging backache, headaches, dizziness and loss of pep and energy. Don't suffer restless nights with these discomforts if reduced kidney function is getting you down—due to such common causes as stress and strain, over-exertion or exposure to cold. Minor bladder irritations due to cold or wrong diet may cause getting up nights or frequent passages. Don't neglect your kidneys if these conditions bother you. Try Doan's Pills—a mild diuretic. It's amazing how many times Doan's give happy relief from these discomforts—help the 15 miles of kidney tubes and filters flush out waste. Ask for new, large, economy size and save money.
