

Recreation Hall Remodeled

MALIN — Work is progressing on the Malin Community Park recreation hall at the east end of the park. The building, which was occupied for many years by the Malin Cheese Factory, is being remodeled into an attractive building of which the whole town will be proud. The brick and cement building has undergone extensive remodeling for meeting room, museum, library, kitchen storage space and rest rooms.

Contracts have been let for the plumbing and heating, roofing, and electric wiring of the building.

According to park board officials, first to be completed will be the library and rest rooms. The branch of the Klamath County Library has been housed for the past several years at the pool building and will be moved as soon as the new room is completed. Shelves will be put into this room but tables will be needed for the reading room. As money and help is made available, the recreation room, one large and one for smaller meeting groups, a kitchen and museum will be added.

Indian relics of historic interest to the surrounding community are wanted for the proposed museum room and anyone having such articles may contact the board members.

At present, carpenters are working on the marquee, which is being added to the front of the building over the main entrance. In late spring the outside of the building will be stuccoed and some landscaping may be done this fall making it possible to do some planting in the early spring. It is expected that volunteer help will be available during the winter months for finishing the inside of the building.

One local civic organization has offered to put in an attractive fireplace in the main room and it is with such generous offerings as this that the building will be completed for the whole community to enjoy.

In the process of dismantling the building the board members have found that some of the equipment used in the old building cannot be put to use therefore, they would like to dispose of the motor and compressor and other paraphernalia used in the cold storage plant. Anyone interested should contact M. M. Stasny.

Former Klamath Teacher's Husband Killed

Friends here of Virginia Pick Sleeper, former resident of Klamath Falls and a one-time faculty member of Klamath Union High School, have learned that the body of her husband Merle Sleeper was found September 4 in Lower California beside a wrecked plane.

The Cessna plane with four men aboard left Pasco, Washington August 19 on a flight to explore mineral deposits in Lower California. It was not heard from after leaving San Diego, 300 miles north. A civil pilot, flying near Calmali, small Mexican village, discovered the wreckage in a canyon and notified authorities. A ground crew that reached the scene found the body of Sleeper and his three men companions dead near the totally wrecked plane.

Sleeper was an employee of the National Bulk Carriers, a New York shipping concern and spent two years in their employ in Japan. He was also employed for some time in construction work near Bend.

Mrs. Sleeper, whose mother Mrs. Fred Pick, lives in Medford left here for Pasco in 1942.

Tourist Dies In K. Falls

A California tourist, Clarence Elmer Ransom, 70, resident of Montebello, California, died at Hillsdale Hospital about 3 a.m. today, apparently a victim of a heart attack.

Mr. Ransom and a daughter, Mildred M. Ransom, had been touring national parks for some time and visited Grater Lake Tuesday where he became ill. Miss Ransom is the only survivor.

The body is being shipped by O'Hair's Memorial Chapel to the Zeller & Flanagan Mortuary in Montebello for services and interment.

Special Blank Checks Offered

TULELAKE — All banks in the Klamath Basin can now provide personalized checks for potato growers with a neat cut of a Klamath potato in two sizes and with either one of two slogans, Eat Klamath Potatoes or Eat Klamath Russets, according to the Tulelake Growers Association bulletin just mailed.

The TGA has provided the art work for the cuts to the additional cost to the grower is very small. "When personalized checks are needed ask your banker to show you the potato check samples," TGA requests.

Happy Is The Day When Backache Goes Away . . .

Nagging backache, loss of pep and energy, headache and dizziness may be due to slow-down of kidney function. Doctors say good kidney function is very important to good health. When some everyday condition, such as stress and strain, causes this important function to slow down, many folks suffer nagging backache—feel miserable. Minor bladder irritations due to cold or wrong diet may cause getting up nights or frequent passages. Don't neglect your kidneys if these conditions bother you. Try Doan's Pills—a mild diuretic. It's amazing how many times Doan's give happy relief from these discomforts—help the 15 miles of kidney tubes and filters flush out waste. Ask for new, large, economy size and save money. Get Doan's Pills today!
