

THIS MICRO WAVE TESTING TOWER has been erected by Pacific Telephone and Telegraph Co. on "K" hill as part of preliminary work to establish the feasibility of a radio relay route from Chico, California, to Portland.

**Polish Sailors
Granted Asylum**

TAIPEH, Formosa (AP) — Eleven Polish crewmen from the seized freighter President Gottwald have been granted political asylum by Nationalist China, the Foreign Office announced today.

The 5,086-ton freighter was picked up by Nationalist warships while en route to Red China May 13. Poland claims ownership of the Gottwald. The Nationalists contend it is owned by the Sino-Polish Navigation Co., a Chinese concern.

**Kind Policeman
Aids Motorist**

RALEIGH, N. C. (AP) — A policeman, with a soft heart, started to write an overtime parking ticket here yesterday, then took another look at the driver, obviously fagged out and asleep at the wheel.

He put his pencil in his pocket, took out a nickel, inserted in the meter and walked away.

The driver snoozed on.
