W-IN MEMORIAM
IN MEMORY OF MOTHER
MRS. GRANT McKNIGHT
My Mother was an Angel, she was sweet as she could be. There was not anything on earth. She wouldn't do for me. She gave all the minutes and the hours of her day. And if I was in trouble. She was on her knees to pray. She thought of me from early dawn. Until the setting sun. Mother I am so grateful for the love and faith you gave to me. And may I be your child and God's. For all eternity. Your Son, Jack.

Buy better
You buy more car... drive more car... get more resale value

Buy newer

When you see what the other low-priced cars are offering for the same kind of money that buys a Ford V-8, you won't settle for less than a Ford. And Ford returns a higher proportion of its original cost in trade. Surveys of used car prices prove it.

It's more than a V-8... it's a Y-block V-8

The only ball-joint ride in the low-price field

While other low-priced cars are scampering to catch up, Ford offers the only V-8 in the low-price field. And with its new low-friction, Y-block design, this Ford V-8 is the most modern engine in the entire industry.

No other low-priced car can match Ford for ease of handling and smooth riding because no other has this amazing new front suspension... another big "plus" that makes Ford worth more when you are ready to sell it, too.
