

PIGTAILS ARE BACK. But today's coeds aren't growing their own. Latest fashion is to have them sprouting right out of the hat, as in this hand-crocheted wool cap by Veumont, with long yarn braids and a perky bow at the end of each. Spreading from campus to campus, too is the specialized fed of wearing the "pigtail" cap in individual school colors. Veumont hand-crocheted caps are available locally.

SAVE NYLONS
Save old nylon hose. Cut them up and use for stuffing cloth toys (animals and such) for the youngsters' Christmas. The nylon stuffing dries quickly when the toys are washed.
