CURRIED APPLES

Next time you are serving a thick slice of grilled ham, try serving heated, canned sauerkraut to which has been added 1 teaspoon caraway seeds, and, on the other side of the ham platter, curried applesauce. To 2 cups canned or fresh applesauce, add 1 teaspoon curry powder, 1 tablespoon sugar, 1 teaspoon grated lemon rind and 1 tablespoon finely minced onion.

DON'T CRY

Many are the home "prevention" for crying while peeling onions. Much better than keeping a silver spoon in your mouth, or a piece of bread, is to peel onions under the running water in the sink.
