

Prison Still Runs OK As Guards Quit

MICHIGAN CITY, Ind. (AP)—A walkout of guards at the Indiana State Prison failed to affect the smooth operation of the big penitentiary today, and a state official said, "The whole strike is a flop."

The opinion came from Hugh P. O'Brien, chairman of the State Correction Department, who added

that the walkout "had fizzled out." However, pickets paraded for the second day at the prison's two main gates, and Merlin Griffith, vice president of the International Guards Union, said, "We'll whip O'Brien one way or another."

Griffith said he was satisfied with the way things were going and added, "If picket lines stay in operation as they have been we'll gain five men a day."

An undisclosed number of guards assigned to the midnight to 8 a.m. shift entered the prison on schedule last night by some entrance other than the picketed gates.

Prison officials had said a full shift of guards went on duty on schedule at 4 p.m. yesterday. They could not be reached early today

for a report on the number working on the midnight shift.

Forty-six guards who refused to sign pledges of loyalty to the state or failed to show up for work on the day shift yesterday were suspended or fired. However, O'Brien said five were reinstated after they telephoned to say they were absent because they were afraid to cross the picket lines.

The suspensions, given guards with more than six months' employment, become dismissals in 10 days unless the cases are appealed to the State Personnel Board.

O'Brien said 16 applicants for guard jobs were being processed as rapidly as possible to fill vacancies.

B50 Crashes Near Willows

WILLOWS, Calif. (AP)—An Air Force B50 weather reconnaissance plane crashed, exploded and burned near here last night, killing at least 11 of the 17 men aboard.

Four enlisted men miraculously survived.

Two crew members are missing and feared dead.

The big plane, on a routine mission from its base at Biggs Air Force Base in El Paso, Tex., dived out of murky skies and hit the earth with a shattering roar at 7:12 p.m. A huge ball of fire burst into the sky, visible for miles.

Sgt. Frank Imely, 38, Sgt. Joseph E. Wittene and Airman I.C. John B. Patton parachuted to safety at the last moment.

T. Sgt. Natulad Vasquez was thrown clear when the plane hit. Their homes were listed as Biggs AFB.

The Air Force gave no hint as to the cause of the crash.

Six hours after the crash, Vasquez was still unconscious in the Willows General Hospital. Wittene, Patton and Imely were also in the hospital, but appeared to be suffering nothing worse than shock.

Air Force officials said 11 bodies had been recovered, some badly burned.

Patton said a fourth man who bailed out plummeted to death. His body was found near the wreckage.

Willows is at the head of Sacramento Valley in northern California.

Wild Killer Draws Life From Jury

PHENIX CITY, Ala. (AP)—A jury struck a blow at Phenix City's tottering empire of crime last night with a life sentence verdict against the first gambler brought to trial during the wholesale vice cleanup here.

Night club owner E. L. Cook, who readily admitted killing one man and wounding two others in a wild outburst of gunplay at his honkytonk four years ago, was convicted of first-degree murder.

Cook, denounced by state attorneys as a "czar of vice and crime," had gone unprosecuted until the crackdown on racketeering began 13 weeks ago.

A grand jury had refused to indict him shortly after the killing and he went free until the investi-

gation was reopened by state authorities directing the current vice cleanup.

The 40-year-old Cook, whose notorious 601 Club on Phenix City's once roaring Dillingham Street featured unrestrained gambling 24 hours a day seven days a week, took the verdict quietly but his attractive brunette wife screamed, "Oh no!" and sobbed hysterically that "God will punish them for this."

Roy Smith of Phenix City, one of the defendant's four attorneys, said he expected to file a motion for a new trial.

Cook, testifying in his own behalf yesterday, talked freely about killing taxicab driver John Mancil and critically wounding his uncle,

William Calvert Rogers, during an argument in the 601 Club Aug. 6 1950.

Cook claimed self-defense in the killing, insisting that Rogers drew a knife on him and that Mancil came at him with a chair.

NAACP Boss Faces Threat

PHILADELPHIA (AP)—Dist. Atty. Richardson Dilworth says he will order the arrest of Bryant Bowles, head of the National Assn. for the Advancement of White People, if Bowles tries to sponsor anti-integration meetings here.

Dilworth said yesterday that he had seen and heard Bowles claim on television that "he was coming here to do the same job he claims to have done in Milford, Del., Baltimore and Washington."

"I think Mr. Bowles should be notified right now that if he pursues the tactics in Philadelphia that he attempted in those other cities, I shall promptly issue an order for his arrest for inciting to riot. . . . He will be given no opportunity to foul up racial relations in our city."

Bowles said on Tuesday that he was planning to hold a NAACP organizational meeting here. He was in the city briefly and left without announcing further plans.

Madison testified it was often necessary for him to cook meals and clean the house because his wife "had no interest in keeping up the home, wouldn't allow servants and showed no interest in my work."

The 32-year-old actor won an interdictory decree on a cross-complaint as Miss Russell, 29, dropped her suit. Her attorney said she was too emotionally upset to appear in court. The couple married in 1949 and separated last year.

Madison agreed to pay his wife \$12,000 cash plus minimum alimony of \$2,400 a year for the next 10 years, or until she remarries.

SANTA MONICA, Calif. (AP)—Guy Madison, the cowboy actor, spent too much time home on the range, he complained in winning a divorce yesterday from actress Gail Russell.
