Solon Backs Judge For Court Post

DENVER (AP) - Sen. Watkins (R-Utah) Wednesday urged President Eisenhower to name Federal Circuit Judge Orie L. Phillips to the Supreme Court and said he got the impression the chief executive favors appointment of "a career jurist."

Watkins conferred with Eisenhower at the Denver White House but declined afterwards to say what the President's reaction was to his recommendations of Phillips, chief justice of the 10th Circuit Court with headquarters in Denver.

Watkins added in reply to a question, however, that he believes the President "would favor a career jurist" to succeed Supreme Court Justice Robert H. Jackson, who died in Washington last Saturday after a heart attack.

As for the Watkins committee's recommendations that the Senate endorse McCarthy when it reconvenes Nov. 8, Watkins was told that Sen. Barrett (R-Wyo) said at the Denver White House Monday that he feels certain of the Wisconsin senator's support.

Watkins replied that he is standing on the unanimous report of his six-man committee, and that he feels he should not discuss the matter further in advance of Senate consideration of it.

Doctor To Defend Self

TREMONTON, Utah (AP) - Twelve persons were hurt - one seriously - when a Greyhound bus spun out of control and overturned Tuesday night on U. S. Highway 30-S near here.

Nine of the injured were expected to be released from Valley Hospital in Tremonton Wednesday.

The hospital identified the most seriously hurt as Bernice Brown of Cheyenne, Wyo., who received a broken back and ribs. Two others hurt were Rubel Bridges of Astoria, Ore., and Florid Winter of Springdale, Utah. Both were said to have possible fractures.

Highway Trooper Evans Green said the bus struck a short shoulder as it was attempting to pass a car, spun across the road and struck a bank of earth, then wheeled around and tipped over. The bus driver, E. Reinhold Bruschke of Salt Lake City, was not injured.

COURT RECORDS DISTRICT COURT Everett Dale Higgins, combination overload, \$75 bail forfeited.

12 Injured In Bus Crash

CLEVELAND (AP) - Dr. Samuel H. Sheppard will take the witness stand in his own defense when he goes on trial charged with hacking to death his pregnant wife, Marilyn.

The osteopath's attorney, William H. Corrigan, told reporters Wednesday he would put his client on the stand and added, "Why, there's no question about it."

In preliminary legal skirmishes, the attorney has kept the handsome 30-year-old doctor off the stand, although Dr. Sheppard was on the stand during a coroner's hearing.

Assistant Cuyahoga County Prosecutor John J. Mahon said he welcomed the news that Dr. Sheppard would be on the stand, saying he wanted a chance to cross-examine him about the doctor's story that the murder was the work of a bushy haired intruder.

The trial, Cleveland's most sensational in at least 22 years, is scheduled to start Monday in common pleas court before Judge Edward Blythin.

Attorney Asks Judge Change

WASHINGTON (AP) - U. S. attorney Leo A. Rover Wednesday accused Federal District Judge Luther W. Youngdahl of "a fixed, personal bias and prejudice" in favor of Owen Lattimore, and asked the judge to disqualify himself from presiding at Lattimore's perjury trial.

Rover made the request in an affidavit filed in the U. S. District Court. Trial of Lattimore, a lecturer and writer on Far Eastern affairs, has been tentatively set for Jan. 10. He is accused of lying when he swore to a Senate committee that he was never a follower of the Communist Party line or a promoter of Red causes.

Youngdahl declined to comment on Rover's action. Court officials said it was up to the judge to decide for himself whether to take himself out of the Lattimore case. If he should fall to do so, Rover could ask the U. S. Court of Appeals for an order directing Youngdahl to disqualify himself.

Youngdahl is a former three-term Republican governor of Minnesota and a former judge of the Minnesota Supreme Court who was appointed to the federal bench by former President Truman.

HELLO FOLKS,

Thought I'd drop a line so we could get acquainted before election. I have been a resident of Oregon for 24 years and attended Altamont and Klamath Union High Schools. I am married and have two sons, one a graduate of Klamath Union High School, the other is a student of Shasta Grade School.

Having been employed by the county the last two years, I believe I see where the working conditions for the employees could be improved. If I'm elected I would work for better road and equipment maintenance, thus avoiding new purchases. I would like to see the purchases of the county put on a competitive bid basis, giving the local merchants an equal chance at all sales, and giving our Klamath County residents an equal chance at disposal of all surplus equipment by placing it on sale by competitive bids.

Hoping to have a more courteous, cooperative, and efficient administration in the future, and thanking you for your interest, I remain-

Respectfully Yours, Elwood F. Sine
