Oregon Duck Figures Told

Oregon ranks eighth for duck hunting in the United States, that is if duck stamp sales are any indication.
 According to recent word from the U. S. Fish and Wildlife Service, Oregon duck hunters purchased 73,268 of the \$2 stamps. This number was \$9 below the total for the previous fiscal year.
 Throughout the United States, the total dropped slightly from the all time high reached during the 1952-53 fiscal year; however, the total sales did reach a staggering 2,271,450 stamps.
 Five states sold over 100,000 stamps with California the leading state in the nation. The golden state's hunters purchased 193,126 duck stamps. Bottom state on the list was West Virginia with 2,335 stamps sold.

GOC Sponsors Local Dance

The public is invited to a dance Saturday, October 23, sponsored by the local Ground Observer Corps to raise money for its emergency fund.
 Shepherd's Orchestra will play for the Harvest Ball, to be held in the Klamath-Hall at the airport from 8 p.m. until 2 a.m.
 Masquerade is optional; however prizes will be given for the best costumes.
 Tickets are available from Jim O'Donahue at J. W. Kerns Co., 734 South Sixth, or they will be on sale at the door.
 Refreshments will be available.

EDITORIALS
