

HOMES FOR AMERICANS

AP Newsfeatures

BROAD AND LOW, this house is designed for brick veneer on wood frame construction with an asphalt shingle roof. It can be built with or without a basement—stairway shown, allowing for enlargement of kitchen, while garage is wide enough to accommodate a heating unit. Split bath provides convenience of a powder room. This is plan 6R-100 by Elmer Gylleck, architect, 191 So. Grove Ave., Elgin, Ill. It covers 1,464 square feet, garage adding 392 square feet. Terrace is envisioned in the rear.

When you are baking a cake or cookies, place the pan on the oven rack that is nearest the middle of the oven. This way your cake and cookies will rise and brown evenly.

Arrange broiled fish fillets on creamed spinach; sprinkle with grated cheddar cheese and place under the broiler just long enough to melt the cheese.

Small leaves of fresh spinach are worth using in a salad. For a delicious dressing mix olive oil, wine vinegar, crumbled crisply-cooked bacon and freshly grated Parmesan cheese. Add salt and freshly-ground pepper to taste.

"To my taste, the best pancakes are those made with buttermilk... because buttermilk tenderizes the gluten in flour. That's why my pancake mix includes buttermilk... and for the final touch of perfection, add your own fresh egg."
