## "DENNIS THE MENACE"

"HURRY UP, HERMAN! HIS MOTHER IS LOOKING THIS WAY!"

**Suit Filed On Wife's Estate**  
 LOS ANGELES (AP)—Suit to have an eight million dollar fortune declared wholly his has been filed by Jacob (Jay) Paley, cotounder of the Columbia Broadcasting System.

The suit was filed yesterday against the Bank of America as executor of the estate left by Paley's wife, Mrs. Lillian Paley, 62, who died last Jan. 7.

Paley told the court the bank is claiming a half interest in personal property standing in his name on the ground that one half of property acquired outside California but brought into the state by a married couple becomes subject to testamentary disposition by either husband or wife.

Mrs. Paley will be disposing of a \$1,757,626 estate made no provision for her husband on the ground he was enjoying adequate financial protection. The couple was married in 1916. Paley is the uncle of William S. Paley, present chairman of the board of CBS.

**Paper Printed Despite Storm**  
 DOYLESTOWN, Pa. (AP)—The Doylestown Intelligencer put out its 150th anniversary edition today—and because of Hurricane Hazel, much of the printing operation was the same as that employed 150 years ago.

Newsmen on the old Bucks County newspaper had to work 6 1/2 hours by candlelight and kerosene lamps last night to get out the special 32-page edition.

The hurricane brought about a power failure at the newspaper plant as it did over much of Bucks County.

"We used facilities that could have been used 150 years ago to produce the same paper," commented Managing Editor George Thompson. "But that's what made the difference between missing an edition or maintaining a perfect record of 150 years of publication."

Page forms were prepared by hand as were all other operations except the actual printing, which must be done on an electrically-operated rotary press. Power was restored at 1:06 a.m. today in time to roll the presses.

**Six Killed In Midwest Crash**  
 ST. CLOUD, Minn. (AP)—Six high school sophomores returning from a homecoming football game were killed last night when a passenger train smashed into their car, crumpling it "like an accordion."

Bodies were strewn for a block along the tracks.

The victims were identified as: Sharon Roder, Shirley Hinkemeyer, Janice Johnson and Nancy Minaker, all students at St. Cloud Cathedral High School; William Ehl, Duluth, Minn.; and Larry Stottman, Ardoch, N. D. The two boys were students at St. John's High School in nearby Collegeville.

Hospitalized here were James Johnson, brother of Janice, and Ralph Mahowald, Grand Forks, N. D.

The youths, all between 15 and 16, had been spectators at the football game between De La Salle of Minneapolis and Cathedral.

Colorful homecoming decorations still fluttered from the littered wreckage of the car. Persons who viewed the wreckage turned away "crying and screaming," a witness said.

Police identified Janice Johnson as the driver of the car.

**Controlled Deer And Elk Season Permits Offered**  
 Applications for permits to hunt in any of the five remaining controlled deer or elk seasons scheduled later this year are due next Tuesday, October 19, in the Portland office of the game commission. They must reach this office before 10 a.m. on that date.

Four of the hunts are for elk and one for deer; the areas are described on the application blanks. Blanks are available at game commission license agencies and offices.

All applications must be on official blanks and any not completely filled out will automatically be rejected.

Drawings for permits will be held at the Portland headquarters of the game commission on October 28, and interested persons are invited to attend. No game commission employees are allowed to apply for the permits.

**DROWNED**  
 JAKARTA, Indonesia (AP)—Eleven people drowned in southwest Borden when the Ambarwang River overflowed after a heavy rain flooding three villages, reports reaching here today said.

## Judge Studies Youth's Case

MONROE, La. (AP)—Ten-year-old Joe Cooper, who threatened school officials with a loaded shotgun to save his dog from the city pound, is back in the reformatory while a West Monroe City judge ponders his fate.

Judge Howell Heard took the case under advisement. Public disapproval against the speed with which he sent the sixth grader to Louisiana Training Institute Oct. 6 following the school yard incident prompted a four hour rehearing of the evidence last night.

Hundreds of telegrams and letters poured in from all parts of the country. Some sought to adopt the boy, others wanted to impeach the judge. An angry group of parents began circulating a petition for the ouster of Mrs. Tina Clark, principal of the Ransom School, who locked the dog in a closet when it followed Joe to school.

Judge Heard, who barred newsmen from the hearing and ordered a blackout on pictures of the boy, said he was "seriously thinking of releasing him," but first would have to study a tape recording of the testimony. A decision is expected next week.

Tippie, part collie, part hound dog, part mostly citizen of the world, was reunited with his young master at the hearing, then taken to a veterinarian by Atty. Murphy Blackwell, who volunteered, his services in defense of the boy.

The sad-eyed, spindle-shanked dog sat quietly at the boy's feet while 40 witnesses, including a Sunday School teacher, a grocery clerk and a man who took Joey fishing on Saturdays, attested to

**False Alarm Blamed On Hearing Aid**  
 CORPUS CHRISTI, Tex. (AP)—Patrolman H. J. Eckert Jr. was drinking coffee at an all-night diner Thursday night when David Ballard rushed in and said he had heard a "muffled explosion."

Detectives and additional patrolmen were dispatched. But Ballard, a nightwatchman at a nearby shopping center, discovered the source of the explosion.

He had bought new batteries for his hearing aid Thursday and forgot to adjust the volume. A slamming door sounded to him like a safecracker's blast.

**Mexican Deaths Caused By Flood**  
 TAMPICO, Mexico (AP)—Officials said today floods and an unidentified epidemic have caused the deaths of at least 40 persons in coastal towns near here.

Five persons were drowned and 35 children died of the mysterious disease that swept the area following the floods, officials say.

The storm demolished much of the towns of Paruch and Reventadero, officials declared. Thousands of acres of land are inundated. Loss of livestock is said to be heavy.

## Judge Studies Youth's Case

MONROE, La. (AP)—Ten-year-old Joe Cooper, who threatened school officials with a loaded shotgun to save his dog from the city pound, is back in the reformatory while a West Monroe City judge ponders his fate.

Judge Howell Heard took the case under advisement. Public disapproval against the speed with which he sent the sixth grader to Louisiana Training Institute Oct. 6 following the school yard incident prompted a four hour rehearing of the evidence last night.

Hundreds of telegrams and letters poured in from all parts of the country. Some sought to adopt the boy, others wanted to impeach the judge. An angry group of parents began circulating a petition for the ouster of Mrs. Tina Clark, principal of the Ransom School, who locked the dog in a closet when it followed Joe to school.

Judge Heard, who barred newsmen from the hearing and ordered a blackout on pictures of the boy, said he was "seriously thinking of releasing him," but first would have to study a tape recording of the testimony. A decision is expected next week.

Tippie, part collie, part hound dog, part mostly citizen of the world, was reunited with his young master at the hearing, then taken to a veterinarian by Atty. Murphy Blackwell, who volunteered, his services in defense of the boy.
