

Republicans Fire Shots At Demos Harriman & Taylor

By THE ASSOCIATED PRESS
 Republicans took aim at two Democratic candidates Tuesday night and sought to link one with Communism, the other with a New York waterfront scandal.

These developments came on the eve of President Eisenhower's departure from Washington for a two-day talking and political tour of Connecticut and New York.

AEC Approves Atom Plan

WASHINGTON (AP) — The Atomic Energy Commission Wednesday announced an agreement with a nine-company group for a study aimed toward the development of a nuclear power reactor for the western United States.

The association, known as the Rocky Mountain Nuclear Power Study Group, will establish offices in Idaho Falls, Idaho. The companies, paying all the cost, will contribute \$5,000 each and will assign 10 full-time employees to the task.

In the group are Arizona Public Service Co., Phoenix; Ebasco Services Inc., New York; Fluor Corp. Ltd., Los Angeles; Idaho Power Co., Boise; Minnesota Mining & Manufacturing Co., St. Paul; Phillips Petroleum Co., Bartlesville, Okla.; Public Service Co. of Colorado, Denver; Riley Stoker Co., Worcester, Mass.; and Utah Power & Light Co., Salt Lake City.

Lewis L. Strauss, AEC chairman, said in announcing the project that it is the 16th authorized in the commission's industrial participation program.

The aim of the group will be to determine the economic and engineering possibility of a reactor tailored to needs in the West.

Harriman replied by repeating a denial given under oath at the time to a federal grand jury.

Target for the other volley was Glen H. Taylor, Democratic Senate candidate in Idaho who was the Progressive Party's nominee for vice president in 1948.

The Senate internal security subcommittee, headed by Sen. Jenner (R-Ind.), released sworn testimony by two men who said Taylor and Henry A. Wallace, the Progressive presidential candidate, knew the party was Communist-controlled when they agreed to head its ticket.

Both witnesses said they didn't believe Taylor or Wallace were Communists.

At Idaho Falls, Idaho, Taylor commented, "If there were any Communists in the Progressive Party, I never recognized them as such." He challenged the subcommittee to get his statement under oath.

Democratic campaigners generally made local appearances Tuesday. Adlai Stevenson spoke at Rock Island, Ill., in behalf of Sen. Paul Douglas (D-Ill.), who is seeking reelection. He called Douglas "A statesman who stands for everything that is decent and courageous."

In Washington, House Democratic leader Rayburn of Texas said his swings across the country have convinced him the voters will pick his party Nov. 2 to control the next Congress.

GOP national chairman Leonard W. Hall took the opposite view. He told a news conference in Indianapolis he's "more confident now than heretofore" of a Republican victory.

Hall said "the swing has been going our way" as a result of speeches by Eisenhower.

It was announced Tuesday that Eisenhower will add another talk to his pre-election schedule—a nationwide TV-radio political broadcast from Washington Oct. 28.

San Francisco Police Seek Man As Girls' Hypnotist

SAN FRANCISCO (AP) — Police Tuesday night issued an all points bulletin for Eric Von Bahen, 33-year-old floral decorator and self-styled hypnotist, in connection with a weird story of the illness, hypnotism and pills administered to five girls in a boarding house here.

The five girls, all dental nursing students, agreed that the man sought was a "perfect gentleman" and they weren't sure they had been really hypnotized, or that Von Bahen had anything to do with their illness.

The five girls were Ramona Durham, 18, of Cottage Grove, Ore.; Shirley Oliver, 18, of Fowler (Fresno County), Calif.; Ermonie Graham, 18, Aberdeen, Wash.; Anita Tabor, 19, Crows Landing, Calif.; and Janet Ann Trucco, 20, of Stockton, Calif.

All but Miss Trucco have returned to their home towns. She still is a patient in Mount Zion

Hospital here.

Police Lt. Don Scott and two inspectors investigated the story, talked to the girls and their landlady.

From two of the girls, Scott said he learned that Von Bahen gave them several small pills before they became sick on Oct. 12. It was thought at the time that they suffered from food poisoning, although none of the other residents of the place were stricken.

They were released from the hospital the next day, only to become ill again two days later. They were held overnight at another hospital and released again. Last Sunday, Miss Trucco had a relapse and was taken to Mount Zion.

After questioning the girls, the officers sought Von Bahen and found that he not only had left the boarding house but had quit his job with a florist here and

Forest Road Bids Asked

PORTLAND (AP) — The Forest Service and Bureau of Land Management reported Tuesday they plan to call for bids in the next six months on a number of forest road construction projects in Oregon.

Forest Service projects include: Four miles of grading on Pine Creek Road in Baker and Wallowa counties; rock production for Cummings Peak Road in Lincoln and Lane counties; rock production for Fall Creek Road in Lane; six miles of grading and a bridge on South Fork Windberry Road in Lane; 11 miles of grading on North Fork Smith River Road in Douglas County; 4 1/2 miles of grading and rock production on Steamboat Creek Road in Douglas; rock production on the South Umpqua in Douglas; 13 1/2 miles of grading on Indian Creek Road in Lane County.

Bureau of Land Management projects include: 19 miles of sur-

facing on the West Fork of the Smith River Road in Douglas County; 19 miles of surfacing on the Smith River Road in Douglas; a bridge on Twin Sister Road in Douglas; grading of Galice Road in Douglas County; 3 1/2 miles of grading on Spencer Creek Road in Josephine County; 3 1/2 miles of grading on Spencer Creek Road in Douglas County.

Follow that hunch— beat winter's punch!

set aside your
Dearborn Guard-O-Matic
HEATERS NOW!
 AS LOW AS **\$89.50**
 COMPLETE WITH THERMOSTAT

The only heaters with revolutionary **Touch-Cool** cabinets!

This year—beat winter to the punch! Now—right now—set aside the Dearborns you need, and be all set when winter comes whistling around. Now—when the models and sizes you want are readily available. Now—when you can take advantage of our convenient Set-Aside Plan.

New GUARD-O-MATIC models
 new features • new comfort and economy

America's most wanted gas room heaters! New Touch-Cool cabinet—top and sides never uncomfortable to the touch—so cool you can safely grow plants on top—so cool you can place heater right on rug and against wall! New Black Magic convactor—provides positive air circulation, even temperature, fast initial heat. New louver design and shape so all heat circulates from the front—no streaked walls, no soiled ceiling, yet quicker, more even, more comfortable heat. Plus a raft of other features that all add up to the finest gas heaters you can buy.

So follow that hunch—beat winter's punch!
 Come on in now for all the wonderful details.

Only Dearborn Guard-O-Matic has all these features

- Touch-Cool cabinet—top, bottom, sides never hot!
- Black Magic convactor for positive air circulation
- High-Crown burner—gives more heat from fuel for greater economy
- Bio-Site radiants—for more efficient combustion, more radiant heat
- Automatic lighting with 100% safety pilot
- Automatic controls—choice of four different types for most convenient operation

Convenient SET-ASIDE PLAN. Just a small down payment... easy weekly installments... and presto!—by the time winter comes your Dearborns are all paid for. Take advantage of this easy-your-budget plan now.

Get set for winter—get your Dearborns NOW
