BIG STICK AIDS MANAGER

LYNCHBURG, Va. (AP)— Roland LeBlanc learned much about the big stick policy in his service with the U.S. Marines. Since becoming manager and catcher of the Lynchburg Cardinals he has been making trouble for opposing Piedmont League pitchers. He is hitting around .381 which keeps him in the photo-finish race for top honors in this Class B circuit.

LeBlanc is called by his teammates a "coast to coast" hookup player. Now playing in Virginia, his original home is New Iberia, La., but he spends his winters with his family at Whittier, Calif.

SPPEAKER AND WAGNER

NEW YORK (AP) — Ty Cobb, who played 24 years in major league baseball from 1905 to 1928, established countless records in his 3,033 games in which he participated.

Cobb, Tris Speaker and Honus Wagner are the only men who played 100 or more games in 19 seasons in the majors. Wagner and Speaker did have this triumph over Cobb: They played their 100-game years consecutively. Cobb split up the years on which he equalled their records.

THOUSAND POUND MARLINS

CABO BLANCO, Peru (AP)—H. L. Woodward, of Havana, caught a 1,140-pound black marlin off this seaport.

It was the 17th black marlin over 1,000 pounds to be taken off Cabo Blanco since Alfred Glassell, of Houston, Tex., started a spectacular run of thousand-pounders in April, 1952.

In addition to the 1,140 pounder, Woodward boated an 888-pound black marlin, lost three and saw five more. His fish were taken on a 39 thread line.

"7" is a bad gamble

here's why

- Means a better than **$3,200,000 direct loss** in income from our state's economy.
- **Grabs** more than **37% of the** state's **salmon resource** (at least 4,000,000 lbs. annually) as a private fish preserve for a handful of salmon fishermen.
- **Will add** at least 1,860 people to Oregon's **unemployment** rolls and idle over $11,680,000 worth of equipment.
- **Will destroy** the fish commission's program of **salmon conservation** and propagation in coastal streams.

Oregon State Senators Urge You to Vote for

GUY CORDON

A Man of Massive Integrity and with a Splendid Record of Accomplishment. By contrast, Look at Neuberger's Record

NEUBERGER IS NEITHER QUALIFIED NOR DEPENDABLE FOR THE OFFICE HE SEEKS, BUT CORDON HAS THE QUALIFICATIONS, IS COMPLETELY TRUSTWORTHY, AND CAN BE DEPENDED UPON TO SERVE YOUR BEST INTERESTS ALWAYS.

We Who Served with Neuberger in the 1953 Legislative Session Unanimously Agree:

Neuberger has poor record of actual accomplishment!

This state senator failed to measure up to his obligations as an Oregon State Senate member by having the poorest...most sterile...record of any senator during the 1953 session! The official senate records show that Neuberger was absent 149 times, indicating his complete lack of senatorial responsibility! Neuberger, who claims to be intensely concerned with the welfare of our schools, was absent at roll call vote on TEN IMPORTANT SCHOOL ISSUES alone!

Neuberger has total disregard for taxpayers' money!

This state senator was responsible for or took part in the introduction of 46 Bills and Resolutions in the 1953 session, at an estimated cost to Oregon taxpayers of $20,700...approximately $450 per bill! Of these, only 8 bills passed due to the fact that his type of bill is bad...for example, Senate Bill 349 provided for merging 36 counties into 8, which would take away from many Oregonians the only government they know, government on the local level. If Neuberger stands for centralized state government, so he would also stand for centralized government in Washington, D. C.

Neuberger is primarily interested in personal publicity!

This state senator authored an article on the subject of county consolidation (The Oregon Journal Sunday Magazine, February 22, 1953), which is but one indication that many of his bills are used only to provide material for Neuberger's personal writings and for gaining national publicity for himself.

Neuberger in his TV talks asks you to compare his legislative record...

The Senators Who Served in the State Senate Are in the Best Position to JUDGE HIS RECORD!
