School Board Meeting Held

Boards of education No. 1 and No. 2 held their regular joint meeting Monday evening in the Klamath Union High School building.

Plans were drawn authorizing purchase at an early date of new uniforms for the high school band. It was announced that the Oregon School Board Association will hold its annual meeting in Salem November 5 and 6.

KF Council Hears New Street Plea

The old question of the chicken and the egg with a new twist got raked over the discussion coils at city council Monday night.

A delegation of about 20 residents from Riverside Addition presented their plea for improved streets in that area, to facilitate mail delivery and cut down hazards to safety especially in winter weather.

On a motion from Councilman Wendell Smith, council voted to confer with the county court and Arnold Gralapp, city school superintendent.

The county is involved since 150 feet of Rogers Street is outside the city limits. The school district is involved since reportedly there has been talk of abandoning Riverside School because of its inaccessibility.

Gralapp said this morning there has been no talk for 10 years of abandoning Riverside School. The school district realizes the value of improved roads in the area discussed to expedite bus service to the school, but the school district cannot participate financially except on land abutting school property, he said.

In the verbal battle which preceded council action, it was pointed out that work was begun on Rogers Street but discontinued after about \$5,000 had been invested.

To Dennis Coate's accusation that "it doesn't show much intelligence or business ability to start a project and not finish it," Mayor Paul Landry retorted, "I may be unimpaired but you don't know what you're talking about!"

The mayor said the project had been started during ex-Mayor Bob Thompson's administration and discontinued in his own when it was apparent the county, which had promised \$9,000, didn't come through financially.

Bill Canton, county surveyor and engineer, present at council, knew nothing about the agreement but felt the county court would not be adverse to doing its part.

Mayor Landry estimated it would take \$39,000 to pave the street; \$10,000 to sand and gravel it. Residents promised their financial cooperation and said they would be satisfied with grading and graveling.

RED RADIO
LONDON 26.—Moscow Radio said Tuesday American voters are deprived of a free choice in the forthcoming congressional election because only two parties are participating.

Grange Degree Work Planned

Klamath County Pomona Grange degree team will exemplify the fifth degree of the order, October 29, at 8 p.m. at the Midland Grange hall.

This program scheduled for Friday night is the first such presentation of the full degree here since September of 1950. H. T. "Mike" Williams, Klamath County Pomona master, urges all grangers who have not received the fifth degree to attend.

Klamath grangers who wish to attend the sixth and seventh degrees at National Grange session held this year in Spokane, Washington November 10-18 should prepare themselves by participating in the fifth degree here. All fifth degree members are urged to attend also.

Bonifay Yancey, Klamath County deputy, stated that Raymond Johnson, Lake Pomona master and Coral Hill, Lake Pomona lecturer, will be present for the degree work.

Eastern Star Meeting Planned

Alpha Past Matrons Club of the Eastern Star will meet Friday, October 29, at 1 p.m. in the Masonic Hall.

Hostesses for the meeting are planning a Halloween luncheon.

We Support AL ULLMAN because: TOURIST BUSINESS AT STAKE IN EASTERN OREGON ELECTION

Tourist and recreation activities are second only to agriculture in the economic life of Eastern Oregon. Directly and indirectly, this industry provides jobs for thousands of people.

But it is dependent upon the return to sound forest, wildlife and resource policies if it is to hold its dominant position.

PROTECTION OF RESOURCES NEEDS AL ULLMAN

We believe our resources need Al Ullman in Congress. We believe all Eastern Oregon depends on those resources and needs him there. We must stop the present trend of radical departure from time-tested policies in the field of conservation of resources. All Ullman will help to stop it.

BUSINESS MEN RECOMMEND AL ULLMAN

The Baker County Motel Association recommends Al Ullman, a fellow citizen, for Congress.

We are small businessmen like many of you. We have a stake in the economic well-being of the Nation and the region. We prosper only when others prosper and only when the economy of the farm and factory and all regions prosper. That is our stake in wanting a man to represent us in the Second Congressional district whom we know can take positive leadership in programs that vitally affect all of us.

HOMETOWN FOLKS KNOW AL ULLMAN

We know Al Ullman, we have watched him in his own affairs and in his business as a builder in this city. He has a fine family, high moral standards, a fine cooperative, helpful spirit. He is energetic, hard working. He has courage. He has devoted great energy and talent of leadership to the resource development fight. He is a World War II veteran with three years of overseas duty. We commend him to you for our congressman.

There is no question how we're going to vote. We just want you to know how unanimous is that conviction among Al's home town people. We are members of both parties but believe that building a sound future for Eastern Oregon is not a blind partisan matter. We urge you to join with us, so that together we can send to Congress a man with ideas and principles who will fight for the best interests of all Eastern Oregon.

Baker County Motel Association
By Erhardt Buchfinck, Pres.
(Ud. Pol. Adv. by Baker County Motel Assn.)
