

TWO HEADS ARE BETTER than one and Sacred Heart coach Jim Souza right, gets huddled together with his starting quarterback Dino Reginato for a few last minute ideas before the Trojans meet Bonanza tomorrow afternoon in the final County League game of the season. The Trojans and the Antlers will face off on the Merrill High School turf with kickoff time slated for 3 o'clock.

Frank DiLillo's Chiloquin Panthers will represent the County League footballers in the district playoff November 6 at Merrill after action taken at a Principals' and Coaches' Association meeting yesterday afternoon at Henley.

A deadlock between the Panthers and the Main Mustangs arose over the league schedule as both teams finished the year with a 3-0-1 record, with the tie game on each club's record coming in a 6-6 battle between the two teams.

A vote of the five county schools that have football, that eliminates Bly, and another county school, Henley is an A-1 school therefore is not officially connected with the county B schools. After the vote was taken, Chiloquin drew a 3-2 nod over Jim Conroy's Mustangs.

Both of these teams are through for the season, but two games remain to be played in the county this season, one of which is a league contest tomorrow and Saturday afternoon.

In a league game tomorrow afternoon, Jim Souza's Sacred Heart Trojans meet headon with the Bo-

nanza Antlers under the coaching of Bob Johnson at Merrill with kickoff time slated for 3:00.

The Trojans will be led by the hard running of Dick Wickline, Sacred Heart fullback, who scored three times against the co-champion Main team last week, while quarterback Dino Reginato and halfbacks Dean Michealis and Bill Deputy should add extra worries to the Antler defense.

For Johnson's gridders, who have yet to win a game this season, and tomorrow could be the day, Cornelius Jensen is the number one threat against the Trojans' chances for a victory to close out the year.

In the non-counting gridiron battle, Merrill travels to Henley Saturday afternoon for a 1:30 kickoff time game that closes out the season for the two teams.

Al Fairchild's Hornets have racked up five wins in seven starts so far this season and will be favored to trip the high spirited Huskies of Merrill.

Jim Cheyne, Ron Kaylor, Jim Cunningham, Dale Searcy and Louie Zarosinski will be in the Henley backfield to give Merrill several serious problems both from the rushing and passing departments.

Should Henley turn the game into a passing war, Zarosinski would probably be pitching most of his passes to Clarence Toliver his favorite target throughout the season.

Merrill has a devastating ground offense also, should they get rolling against the A-1 school, as Le-

Navy Coach Feels Confident

ANNAPOLIS (AP) — "I feel we have the best chance to beat Notre Dame Saturday since I've been here," said Navy football coach Eddie Erdelatz Thursday. "This gang isn't afraid of Notre Dame or any team for that matter," he said in reporting on the

attitude of his Middies toward the game before an expected 60,000 in Baltimore's Memorial Stadium, eager to get at the Irish. Several upon being congratulated for playing a good game after last Saturday's 52-7 victory over Penn replied "wait until you see next

week's." Navy hasn't beaten Notre Dame since 1944 and Erdelatz has coached the last four losers. This year the Middies are off to victories in four of their first five games and threaten the academy's best football record of 7-1-1

since 1945. That Navy team tied Notre Dame 6-6 and lost to Army in the last game.

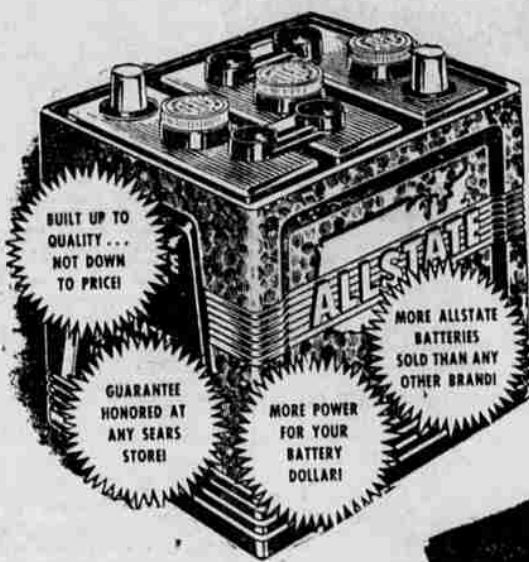

Coach Abe Martin of the TCU football team calls his regulars the "white" team and his sophomores the "blue" team.
