### S&W Sets Promotion For Holiday Items

With Thanksgiving and Christmas just around the corner, S&W Fine Foods, Inc., will kick off in late October an extensive six weeks advertising and merchandising campaign for its holiday items, according to Len Dart, manager of S&W's Northern California division.

Season favorites such as Glace Cake Mix, Mince-meat, Marachino Cherries, Glace Cherries and Mixed Nuts will be featured in this promotion, which will be highlighted by large-space color and black-and-white advertisements in more than 70 leading newspapers throughout the West, in the avian Islands and metropolitan areas in the East and Midwest.

### But Naturally, The New Lipstick

Mother, help your young teenage daughter look her best and she will develop self-assurance and poise. During the transition from little girl to young lady, she wants to look and act more feminine, but is sometimes unsure of herself.

Following that line of thought, the new Polished Pine and Ginger shades which are being featured were chosen because they are "wood tones," and appeal to women because of their association with outdoors.

### Psychromatics Set Shoe Colors

Current world tensions, rather than a designer's caprice, are responsible for the colors of the fall leather shoes, handbags, belts and other leather apparel that Americans will be shopping for during the next few months, according to Leather Industries of America.

### MD Tissue Now By The Bagful

Retail grocers in this area are going to sell MD Tissue by the bagful again this year. The outstanding offer made last year — 8 rolls of MD Tissue in colorful plastic bags — will be repeated in this area again this fall.

rolls dustfree while stored in the basement. For traveling to Grandmother's for Thanksgiving, wrap the children's play shoes in the plastic bags for convenience in packing. On a trip, tuck a few of the baby's toys into the bag so he'll be able to amuse himself in the back seat while you drive. The bags make fine crispers for salad greens and storage containers in the refrigerator. Small items of laundry — blouses and handkerchiefs — can be rolled and put into one of the plastic bags

and kept in the refrigerator until ironing time. Store holiday favors in the bags, such as your Thanksgiving table favors, which can be put away safely until next year. After the Christmas tree is taken down, protect the lovely kiss-ball or other big ornaments in separate bags. The girl away at school will enjoy one for her knitting. Little Jane, who doesn't have her own overnight bag, can put her pajamas and toothbrush in one of these bags when she stays all night with a girl friend.

### Dinner in a Dish

Dairy foods add flavor, texture and nourishing food nutrients to one-dish meals. The smooth, rich flavor of cheese, the piquant tartness of sour cream, the smooth creamy texture of cream sauce are old standbys in preparing a really good casserole.

The Oregon Dairy Council suggests the following, served with a salad, buttered hot bread and your favorite dessert.

- LAMB-TOMATO CASSEROLE (serves 6)**
- 1 1/2 lbs. cubed lamb shoulder
  - 1/2 cup butter
  - 1/2 medium onion, chopped
  - 1/4 cup chopped green pepper
  - 2 cups cooked rice
  - 3 fresh tomatoes, peeled and quartered
  - 2 tablespoons chopped parsley
  - 1 cup milk
  - 1 teaspoon salt
  - 1/4 teaspoon garlic salt
  - Dash of oregano
  - Parmesan cheese

Brown lamb in butter; add onion and green pepper. Cover. Simmer 20 minutes or until tender. Add rice, tomatoes, parsley, milk and seasonings. Pour mixture into a buttered 2-quart casserole. Top with cheese. Bake at 350 degrees for 30 to 45 minutes.
