GOP Wins Lone Carolina Post

RALEIGH, N.C. (AP)—Democrats elected two senators and reelected 31 representatives and Republicans reelected their lone representative in North Carolina yesterday.

Democratic Rep. Hugh Q. Alexander of Kannapolis defeated Republican William E. Stevens of Lenoir in the hotly contested 9th District.

With 132 of the district's 188 precincts reported the unofficial count stood: Alexander 38,569, Stevens 32,759. At that point Stevens conceded.

Republican Rep. Charles R. Jonas of Lincoln was reelected in the 10th District over Jungle J. C. Redberry of Charlotte. Jonas accomplished what no Republican in history had been able to do—win reelection in North Carolina to the House of Representatives.

Former Gov. W. Kerr Scott capped a long career of public service with a resounding defeat of Paul C. West for the U. S. Senate.

Sen. Sam J. Ervin Jr., who was appointed to the Senate when Sen. Clyde R. Hoey died, was elected to two years remaining in the Hoey term.

A congressional committee has ordered all ballots cast in the 9th District impounded for possible examination in event of investigations of fraud charges made in the last two weeks of the campaign. Agents of the state Bureau of Investigation have looked into charges that absentee ballots were fraudulently procured and voted.

Ohio Democrat Wins 5th Time

COLUMBUS, Ohio (AP)—Ohio elected a Democratic governor to an unprecedented fifth term today but his interim Democratic appointee was trailing in a shifting U. S. Senate contest.

Gov. Frank J. Lausche, first Ohio governor to serve more than three terms, held a 127,841-vote margin over his Republican opponent, State Auditor James A. Rhodes, with more than two thirds of Tuesday's vote counted.

At that point, Rhodes, former Columbus mayor, conceded defeat and congratulated Lausche. The victory put Lausche in position for national favor in 1956.

The unofficial count in 8,032 of Ohio's 11,347 polling places gave Lausche 959,363; Rhodes 831,522.

In the Senate race for the last two years of the late Robert A. Taft's six-year term, the count in 8,032 polling places gave Bender 857,694. Burke had 853,149.

Totals in the senatorial and gubernatorial races included about 500 of the 2,000 polling places in Cuyahoga County, Democrat stronghold embracing Cleveland. They also included 1,606 polling places in seven other metropolitan counties.

In 23 congressional races, Republicans appeared likely to add one of their 176-member delegation. Democrats, however, may retain their numerical strength of six by capturing the seat held by an independent in the 9th District that includes Toledo.
