KF Chamber Names Leaders

Results of the election for five new directors of the Klamath County Chamber of Commerce to serve three-year terms starting January 1, 1955 were announced at the board of directors meeting at the Winema Hotel Wednesday noon.

New directors are Carrol Howe, Ernest Taylor, Jim Patterson, Homer Ellis and Alice Vitus. Mrs. Vitus is the first woman to be elected to a chamber directorship.

Outgoing directors will be Lester Offield, Truman Runyan and Otto Smith. After this year, under the completed chamber reorganization, there will be five incoming directors and five outgoing each year.

Harry Molatore was elected a director to fill the vacancy created by the resignation of Bob Thompson, which will carry through 1955.

Charlie Mack was elected vice president, to replace Thompson in that office for the remainder of this year. Charlie Malin reported the results of the election to the directors on behalf of the counting board.

Solon Sees Approval Of Asian Pact

WASHINGTON (AP) — Sen. Wiley (R-Wis) today forecast quick Senate Foreign Relations Committee approval of the Southeast Asia defense treaty but hoisted a caution signal on the new German sovereignty and rearmament agreements.

Wiley is chairman of the committee. Neither he nor Sen. Mansfield (D-Mont) foresaw any major obstacle to a committee recommendation that the Senate ratify the Asia defense alliance treaty first thing in January.

Secretary of State Dulles was scheduled to go before the committee today with an appeal from President Eisenhower that committee study be completed during the current special Senate session so that the treaty could be taken up by the Senate itself soon after the new Congress convenes Jan. 5. Senate leaders hope to confine the present session to the issue for which it was called — the move to censure Sen. McCarthy (R-Wis).

The new eight-nation treaty provides for consultations among the United States, the Philippines, Pakistan, Thailand, Australia, New Zealand, Britain and France in the event of Red attack in Southeast Asia. It also provides for consultation on internal subversion.

Mansfield was a member of the U. S. delegation which wrote the treaty in Manila last summer. In an interview today he described it as "the second-best step" toward collective security in the Pacific area. The "best," he said, would be a pact including also India, Burma and Indonesia.

Wiley told a newsman that the Senate should hold off ratifying the new German settlement until at least France and Germany have done so, an opinion Mansfield shares.

Army Recruit Policy Told

The U. S. Army is accepting enlistment of qualified high school graduates under the provisions of the "Reserved for You" program, according to the local recruiting officer, M-Sgt. Claude Miller.

This program makes it possible for the high school graduate to select the course of his choice prior to his enlistment. After completion of basic training the enlistee is guaranteed attendance at the course of his choice.

Courses offered include such diversified subjects as diesel engine repair, watch repair, Army helicopter maintenance, guided missile maintenance, various types of atomic subjects.

Courses offered to young women include pharmacy, medical and dental courses as well as stenographic and personnel courses.

Interested young men and women may contact the U. S. Army Recruiting Office, room 309, Post Office building, or phone 8401.

Russians Ease Church Attack

MOSCOW (AP) — Soviet Communist party chiefs told Red propagandists today to continue their tub-thumping for atheism but to stop rough stuff against the churches.

"Insulting attacks against believers and the clergy can only lead to strengthening and even intensification of religious prejudice among the people," declared a decree of the party's Central Committee.

The unexpected order, signed by Party Secretary Nikita S. Khrushchev and published in the official party newspaper Pravda, followed a Soviet press campaign against religion.

The campaign, which began several months ago, apparently got out of hand in some places with local officials resorting to persecution of believers and the clergy.
