★ ★ ★ ★

Bible Prophets Saw Our Times!

Mr. Sage will give the unshakeable answer . . . a lecture which all Americans should hear!

★ ★ ★ ★

PREPARE for ATOMIC ATTACK!

. . . Warned a Presidential Commission not long ago. We have but "ten years left" says the London Express . . . "but four or five years," says Raymond Fosdick. "America is now at the Crossroads," says George Marshall. Russia has the Hydrogen bomb. America dare not explode the hydrogen bomb she has now perfected. One writer said, "The Final Movements Will be Rapid Ones."

★ ★ ★ ★

Hear **HART HANSEN**
