Church Plans Loyalty Sunday

Loyalty Sunday will be observed at the November 14 morning service of worship at Congregational Church, the pastor, the Rev. R. L. Larson, has announced.

Following the worship service, a selected group of church workers will have dinner together and then make calls within the parish.

Now Everyone Can Play on Instrument
You can play the Hammond Chord Organ, yes, even though you have never played any instrument and cannot read a note of music.

We know this sounds impossible. But remember only a short time ago atomic energy and even radio were seemingly just as impossible. And the Chord Organ is just as revolutionary in its field.

Thousands of adults from every walk of life who have taken the time to investigate have found that everything claimed for the Chord Organ is true. And thousands have found an enchanting new hobby and an absorbing new interest in life.

Come into the store when you have fifteen minutes to spare. You may find it the most interesting quarter hour you have ever spent. We enjoy explaining the Chord Organ and you are under no obligation whatsoever.

Louis R. Mann Piano Co. 120 No. 7th

At 5:30 p.m. there will be a pot-luck supper to which all are invited. Reports by the workers will be made.

Following supper, the second and final three-week session of the school for Christian Living will get underway at 7:30 p.m.

"Goodness! What's happening?"

You tap the shoulder of a spectator and ask what's happening—even though you are seeing the action with your own eyes.

Chances are that he doesn't know what's happening any more than you do. Chances are he'll have to get a newspaper to find out—just as you will.

Then for the first time you'll find out that the fight was the upshot of a long resentment between two factions in town — ignited when someone tried to take a photograph of someone in one of the groups.

In short, being on the spot is not much better than seeing one or two photographs of the action.

Photographs, announcements, headlines or brief announcements can whet your appetite for news, but they cannot satisfy your hunger for the whole story.

That's what the newspaper is for. Newspapers bring news — pictures and sufficient words.

• This goes for advertising, too. The brief message that hangs in the air... or brief headlines here or there... may indeed have a momentary interest.

But the newspaper ad carries the bristles quality, the urgency of the newspaper itself.

Like a news item, the ad can be examined and re-examined. *Can be read any time. Anywhere.* Can be clipped and carried in a pocket-book.

Add to all this the fact that newspapers reach just about everybody in town, not just fractions of audiences, and you know why the newspaper is the nation's most effective advertising medium.

No wonder advertisers—both retail and national—invest more money in newspapers than in any other form of advertising.

The newspaper is always "first with the most"
