

Boxing Investigation Shelved For Time Being

NEW YORK (AP)—An investigation by the State Athletic Commission into charges of "blacklisting and discrimination" in New York boxing was on the shelf for a week today after blanket denials by matchmakers, promoters and managers.

The charges that set off the inquiry were made by the recently formed Metropolitan Boxing Alliance against the New York Boxing Managers Guild.

RESUME

Twenty-one witnesses testified before the commission yesterday in a session lasting more than six hours. When it finally broke up, Chairman Robert K. Christenberry said it would resume next Friday. He left by plane today for London and a meeting of the World Boxing Committee, which he heads.

Thirteen members of the alliance, composed mostly of managers, also appeared at the hearing and presented affidavits.

The promoters and matchmakers were asked whether the guild had exerted influence to keep non-members and alliance members from getting bouts; whether any member of the guild had asked them to confine their matches to guild members; and whether they had anything to do with paying a \$100 television "donation" to the guild for each main event fighter on a TV program.

DENIAL

Tex Sullivan, matchmaker for the London Sporting Club at St. Nicholas Arena, was the only witness who did not enter a full denial. He said he had \$100 checks made out to managers in 19 of 32 main events. The managers, most of them from California, had told him to make out the checks to them and leave them with Gus D'Amato, guild collector, Sullivan testified.

He added that the managers wanted to leave town but still wanted to make their "donations," which the guild turned voluntary contributions to defray expenses.

Alliance members charge they are being blacklisted because they are not members of the guild and refuse to pay \$100 for feature TV bouts.

Idaho Frosh Whip Montana Rookies 25-6

MOSCOW, Idaho (AP)—The straight-shooting arm of Gary Kenworthy sparked the Idaho freshmen in a come-from-behind effort that defeated the Montana yearlings, 25-6, in a football game Friday.

Idaho trailed, 0-6, at the end of the first quarter but Kenworthy began to find his mark soon after Montana fumbled late in the second period. A 19-yard pass took Idaho to its own 41 and then Kenworthy's 59-yard pass play to Larry Norby tied up the score.

The young Vandals scored again in the third on a series of running plays. The Kenworthy-Norby combination clicked for another 59-yard play early in the fourth. A bad Montana punt left the ball on the Grizzly 12 and it was soon moved back across the goal line.

Montana's opening and only score came on a 46-yard drive midway in the first period.

Kenworthy passed for a total of 241 yards.

SCOTT FROST IS FAVORITE

GOEHEN, N.Y. (AP)—Scott Frost, fastest 2-year-old harness horse, already is the winter book favorite for next August's \$100,000 Hambletonian.

By racing a mile in 2:00 flat at the Lexington Tracts, Scott Frost erased the former mark of 2:01 3/5 recorded last year by Newport Dream.

Driver Joe O'Brien who guided Scott Frost to his record mile says: "I'm not worried. There's a lot of months between now and next August and somebody might take the favorite's role away from Scott Frost before he gets to Go-shen. I sure hope so."

The Milwaukee Braves won more games on the road than at home. They triumphed 48 times in opposition ball parks and won 43 at County Stadium.

Northern Division Teams In Wrong Class

By JACK HEWINS

SEATTLE (AP)—There probably is no truth to the rumor that the Northern Division will send a high-level delegation to the Evergreen Conference meeting Monday in Yakima, begging to be let in. . .

But it might not be a bad idea—although there are sober people of superior perception who swear that Whitworth could kick the tar out of any football team in the N.D., with Stanford thrown in. And these folks assure us that the College of Idaho could do the same, in case the bleeding fugitives seek amnesty in the Northwest Conference.

At any rate, it's very plain the

schools north of the California border are away in over their heads trying to play football in the Pacific Coast Conference. The circuit has cast out spring practice and the Northern members might be wise to vote at the next session for elimination of football. . .

That would be deemphasis in its purest form. . .

Since the wah (we mean the last wah, but almost any wah will do), there hasn't been a Northern Division team in the Rose Bowl. Oregon won the title in 1948, got voted out of the Rose Bowl bid, went to the Cotton Bowl and almost got kicked out of the conference for treason. . .

The conference has been operating since 1916 and the Northern schools have won or tied for 10 titles in 37 seasons. The modern Rose Bowl program started in 1914 and the North has been represented eight times, including the war year of 1944 when Washington played Southern Cal. . .

Our daughter, who is studying arithmetic, says this is about one visit every five years, so the Northern Division is away under par since the wah — nine years, no Roses. . .

Only three country cousins have been able to finish as high as second in that span. Anybody with the normal number of fingers can divide the conference into four Southern and five Northern teams, yet in 1952 and '53 the North couldn't get a team into the first four. . .

Although everybody knows things are sure to get no better, the North will continue its traditional policy: Fire the Coach and Wait for Next Year. . .

Probably the busiest guy in the entire Northwest is Bob Braddock of Kahlottus, where all 16 male students are on the high school 8-man football squad. Bob is principal, coach, full-time teacher, driver of a school bus and mayor of the city. . .

Oregon has made a successful transplant of 20 bighorn sheep from British Columbia to Hart Mountain and has 'em penned in a 25-acre reserve. It's an effort to reestablish the rimrock sheep which were exterminated by hunters 38 years ago. . .

(That was when the Pacific Coast Conference organized, opening the season on Northern Division football teams.)

Oregon Frosh Whip OSC '11'

CORVALLIS (AP)—The Oregon Frosh Friday scored twice in the third quarter to defeat the Oregon State Rooks 13-2 and complete their season undefeated and untied.

The Rooks opened the scoring in the first quarter when end Duane Fournier of McMinnville tackled Jack Henkel in the Oregon end zone.

In the third quarter the Frosh went ahead when halfback Jimmy Williams, former Benson of Portland star, ran 42 yards to score. Minutes later Dick Javis of Auburn, Wash., plunged four yards for the other Frosh touchdown. Halfback LeRoy Phelps kicked the extra point.

The Staters threatened in the final quarter when quarterback Bob Gill completed five consecutive passes. But Oregon's Henkel intercepted a sixth Gill pass at the game ended.

The Rooks, who were defeated in all three starts this season, made 11 first downs and had 237 total yards. The Frosh made 10 first downs and 244 yards.

Oregon 0 0 13 0—13
Oregon State 2 0 0 0—2

Oregon scoring: Touchdowns, Williams, Jarvis, Conversion, Phelps.

Oregon State scoring: Safety, Henkel (tackled by Fournier in end zone).

BALTIMORE (AP)—Jockey Willie Hartack rode four winners at Pimlico Friday and missed a 5th when his mount faltered in the last race with a 2-length lead in the stretch.

Transfer Of Kansas City Club Remains At Standstill

By THE ASSOCIATED PRESS

An expected shuffle of minor league franchises, stemming from the Philadelphia A's move to Kansas City, apparently has been delayed.

Amid a welter of speculation American Assn. President Ed

Doherty disclosed at Louisville, Ky., Friday night that officials of his league have postponed a meeting to fill their Kansas City vacancy. He said "certain things have to be ironed out."

His statement followed by a few hours confirmation of reports that Bob Howsam, boss of the Western League's Denver Bears, had spent Friday in Chicago with Parke Carroll, general manager of the Kansas City Blues.

Howsam had not been located for comment on the meeting.

The Rocky Mountain News in Denver learned from Carroll on

Friday that he had met with Howsam, Carroll said any information on the brief get-together would have to come from the American Assn.

It had not been established early Saturday whether Doherty was at the Chicago meeting.

Denver and Omaha, both now members of the Class A Western League, are regarded as chief candidates for the Kansas City berth, left open after the American League approved the transfer of the Philadelphia Athletics there.

American Assn. officials had been scheduled to meet next Tuesday. Explaining the postponement, Doherty said "We're not ready to discuss" a Kansas City successor.
