Ike Plans Message To Senate

By MARVIN L. ARROWSMITH TOLEDO, Ohio (AP)—President Eisenhower will tell the Senate Monday that ratification of the Western Europe anti-Communist alliance to free and rearm West Germany would be "a very great step" toward world security.

The chief executive's press secretary, James C. Hagerty, told newsmen here today that will be the substance of a special 2,000-word presidential message.

Eisenhower is in Ohio as the guest of Secretary of the Treasury George Humphrey, hunting duck on Maumee Bay, 14 miles east of Toledo. He fired at ducks yesterday for the first time in 29 years and brought down the daily legal limit of four in half an hour. Then he bagged five pheasants, on which there is no limit.

The President planned to return to Washington late today. Tomorrow is Mrs. Eisenhower's 58th birthday.

The nine-power treaty Eisenhower will send to the Senate Monday was signed in Paris last month. It opens the way, upon ratification by all of the signatory nations, for restoring sovereignty to Allied-occupied Western Germany, and for German contribution of 500,000 troops to defense of Western Europe against any Russian aggression.

Hagerty said Eisenhower will ask that the Senate Foreign Relations Committee study the treaty and be prepared to act speedily on it when the new 84th Congress convenes in January.

The President, who arrived here late Thursday, was out in the marshes by 8:30 a.m. yesterday and 30 minutes later had bagged two mallard, one pintail and one black duck. He and Humphrey then
