INSPECTION
MADRID, Spain (U. S. Navy Secretary Thomas left by plane Thursday for Lisbon on his way home after a four-day inspection of American air and naval bases being built in Spain.

Train Explosion Investigated
WEBSTER SPRINGS, W. Va., (AP)—FBI agents have begun to probe the dynamiting of a coal train and the attempted dynamiting of another in this strike-troubled mining area.
Fred Hallford, special agent in charge of the FBI's Pittsburgh office, said yesterday:
"We are investigating the dynamiting of a train operated by the Cherry River Boom and Lumber Co. on Oct. 20 and the attempted dynamiting of a Baltimore and Ohio Railroad train over the Stroud's Creek and Muddydy Railroad near Tioga on Oct. 31."

Make it from me girls...stay Smart and Healthy
By BESSIE, THE BASIN BOSSY
We just can't keep from getting involved in the talk about the "new look" can we?
Here we go again, this time on formal fashions:
The slim new lines do something else in the figure, when draped in formal attire a la Dior! They give it a "tall look."
The Fall openings have brought that out. The long, slender emphasis predominating in the new line, especially because of the slim skirts and high décolletage.
And once again, furs, furs, furs. Deep mink cuffs grace one model worn in a recent "coming out" white fur, flecked with black, banded the deep-necked narrow of another, with a fur waist band matching. Ermine stole, in white, went with a velvet model, and Chinchilla wasn't the least bit unusual.
Furs, as usual, fit other lines, too.
Long mink coats and large mink stoles appeared often and charmingly at the races back East, where styles apparently are set.
Note the predominance of darker colors (graphite or charcoal gray, black or medium blue) in the selections of the gals in the know!
Gals in the know make other fine selections, too. To keep "on the trim," they use a secret formula never duplicated by man. It's nature's "Formula X"—good, fresh, Grade A milk.
Important to remember that to be sure it's pure, your milk should be labeled "Grade A." —Bessy.

Sure symbol of good luck!

The four-leaf clover stands for good luck...the big 7 with the crown on top for the finest of all whiskeys—Seagram's 7 Crown. Fortunately, Seagram's 7 Crown is much easier to find than four-leaf clovers, because it is the most demanded whiskey in America.
