

GAY and APPEALING and very feminine is Prince Matchabelli's transparent hat box, in pink and forest green color combination topped with pink ribbon bows and new. Within are three miniature crowns (1/2-dram each) of three favorite Prince Matchabelli perfumes . . . Stradavari, Wind Song and Crown Jewel. Three moods in perfume to match as many facets of the feminine personality.

It's not always the price that determines the success of a gift. Originality and thoughtfulness contribute a great deal — but it is hard to keep on being original without some help.

Cosmetic houses this year are providing the prettiest packaging ever and are offering the most glamorous little gifts in sizes to fit even the pocketbooks of those whose lists are "long as your arm."

The little flacons are replicas of the large size perfume and are convenient to carry in the purse or to keep a spare on the bathroom shelf.

If a friend is unfortunate enough to be confined to bed during the holiday season, there is nothing nicer than a cosmetic gift for her. Houbigant's Body Tone is refreshing and delicately scented and the good-enough-to-eat color is cheering in itself.

Helena Rubinstein's lotion and cologne that bubbles out like creamy foam at the touch of a fingertip is sure to please and give lasting joy to the recipient.

DuBarry's Penetrating Cream is a wonderful gift — you'll find your hands have received a "treatment," too when you use it. It is thoughtful to give someone else one of your favorites, of course, so this pink plastic bottle from Houbigant will find its way to a spot under many Christmas trees this year.

Shulton's lotion is packaged in a "quiet" bottle which starts the soothing process before it is even opened.

The list goes on and on. Be glad this Christmas that Klamath Falls has such fine stores and complete selections. Many of the items are available at more than one location, but others, like Charles of the Ritz are sold in only one location in each city.

NOA NOA — Helena Rubinstein's compellingly fragrant Noa Noa bath oil is the epitome of bath-perfection. This is the last touch of luxury and is expected to be ready in time for your Christmas giving.

DECORATORS TOUCH
Freeze a ring mold of plain or tinted water or fruit juice for a cooling, floating addition to your punch bowl. Green and red maraschino cherries place in the bottom of the mold will add color.

LOVELY CHRISTMAS GIFT SELECTIONS

CHRISTIAN DIOR presents a de luxe flacon with frosted embossing to reveal the golden gleam of his Eau de Toilette. The stopper, a prism of clear glass, and the decorative white satin bow at the neck of the flacon, add to its charm. In both Dior fragrances, Miss Dior, tranquil in mood, and Diorama, of thunderous beauty. Choose for the lady in question as she would choose for herself.

CHRISTMAS COACH — by Helena Rubinstein — is an entrancing 18th Century coach, reproduced in twinkling pastels, dusted with glitter and bearing enchanting fragrances of festive delight. Choice of color and fragrance: misty pink for Apple Blossom Cologne, blue for Heaven-Sent Eau de Toilette, pale sea foam green for White Magnolia Cologne. The same darling carriage brings Command Performance in lasting Eau de Parfum, too.

MADE TO ORDER gift is personalized face powder. The empty Charles of the Ritz face powder box entitles her to a box of powder, blended just for her, at any of the Charles of the Ritz powder bars throughout the country, making this an exceptionally fine gift for mailing—no breaking, no spilling, and tailored just for her.

What every good cook knows:

Just a little difference in ingredients makes a big difference in cooking results

Snowdrift is just a little lighter than any other shortening—and that can make the big difference in giving your family lighter, more digestible foods.

Snowdrift gives just a little more safety than ordinary shortening, because it fries perfectly at correct high temperatures. That can make the big difference in digestibility of fried foods.

Snowdrift's ingredients are just a little costlier than any other solid shortening's (yet you pay no more). That can make the big difference in better tasting foods, whether fried or baked.

No other shortening at any price is so creamy, so digestible — and so light!
