FLAV-R-PAC FROZEN FOOD TIPS & IDEAS

CHEF'S SECRET

• HERE'S a wonderful little trick that gives Flav-R-Pac tender, crisp green beans a flavor that hurries you to a second helping. Rub the cooking pan with garlic before you serve them hot with butter. Everyone around the table will say nice things to you if you do.

HAND PICKED

Grown and hand-picked in small plots of bottom land, with Willamette Valley Flav-R-Pac (Blue Lake) Green Beans have a tender crispness like no other beans. They are a special variety that grows in Oregon where the climate is "exactly right" for them...and they are stringless!

HERE'S THE DIFFERENCE

LOW IN CALORIES

Quick-to-fix Flav-R-Pac Green beans, regular or French cut (center sliced) are waste-free and a package serves four (about 70 calories per serving). Rich in proteins, carbohydrates and vitamins A, B and C, these emerald green succulent beans are health-giving and have a wonderful "frozen-in" freshness. Try them soon.
