

A KLAMATH FALLS VISITOR, Neal Fife, who is also one of our cover subjects, took in the sights at Crater Lake park last spring when the snow had barely melted off the roads. This shot was made just in front of Rim Village.

COSMETICS ARE a good gift for dad from the kids. Sold in sets or separate items, they fit any piggy-bank budget. At left is Old Spice's after-shave lotion, talcum, shaving cream. Top, right, Yardley's travel kit of shaving lotion, hair tonic, cologne and shaving cream with protected compartments for each. Bottom, right, Sutton's solid cosmetics: deodorant and after-shave sticks.

FIRST steps into the world of doing things come with miniatures of household equipment. This toy for youthful soup-and-sandwich creations is called Campbell Kids Cooking Set. Real soup, utensils, hat, apron and cookbook are included.

THE STATISTICS say that successful businessmen like their jobs better than almost anything else. If there's one like that around your house, give him an office gift: leather file tray, letter bucket, cigarette case, ash tray, calendar.
