IT TOOK HUNDREDS of man hours of work to move the thousands of volumes of books from the old Klamath County Library near Klamath Union High School to the well-lighted, new building at Klamath Avenue and Third Street. Irma Wood, new children's librarian, sorted and stacked to bring order out of chaos in the department devoted to juvenile reading.

FORT ROCK

By ROBERTA McGEE

Mrs. Anne Sloan, Fort Rock school teacher, attended the Central Oregon regional meeting of teachers and school board members, at Redmond.

Problems discussed were teacher recruitment, needed school facilities, school tax money and an expanded building program.

Fort Rock school is overcrowded with 21 students in all eight grades in one room with one teacher. A small ante room serves as store room and library for reference work. There will only be one student graduating this year, and several first graders starting in next term. The school board is aware of this condition and are trying to solve the overcrowded condition. It might be necessary to have two teachers here next year, providing another room is built in the meantime.

The Fort Rock 4-H group has been soliciting this past week for funds for the United Fund for 1954.

A farmer line telephone meeting was held at the grange hall recently. Dick Schaub, chairman of the south line and secretary, Hazel Ward, of the east line, presided. The following chairmen were appointed to serve for the year: Ernie Stiegeler, east line; Floyd Branch on the west line. The switch panel was moved from the Fort Rock store Friday, November 19, by members of the telephone committee, to the home of Mr. and Mrs. Floyd Branch. The telephone and switch panel are located on the back porch.

At the present time the west line and the east line have been consolidated into the east line, to facilitate contact. This is a trial test to see how the reception will work out. In the future if more people are connected with telephones the line will be changed back. There will be a 10 cent charge made when switching over from the south to the east line, those calling on the same line will have no charge. There will be no messenger service except in an emergency.

Summer Lake Grange and the Fort Rock Grange will hold joint installation of officers at the Summer Lake Grange hall Saturday, November 29.

Mr. and Mrs. Kenneth Keenon, Rodney, Carolyn, Duane and Richard of Sweet Home, visited with Mrs. Keenon's brother and family, Mr. and Mrs. Andy Hergert last week.

Fort Rock Grange was well represented at the Pomona Grange meeting which was held at the Summer Lake Grange recently.

Mr. and Mrs. Jerry Ogle and family moved to the Bob Neal place from the Ralph Webber ranch.

Mrs. Ann Sloan, teacher of the Fort Rock school students, Clinton Perry, Fort Rock; Jerry Weaver, Silver Lake and Mrs. Maurice Ward went to Lakeview Wednesday, November 10, where they and other school representatives were entertained with a banquet at the Hotel Lakeview, with the following groups acting as hosts: Lions Club, Soroptimists Club, BPW and Rotary.

After the banquet the group went to the studio of KCNO radio station where they made a tape recording of the program presented at the banquet. Douglas Fetsch

handled the recorder and Dean Lingle, librarian, Mrs. Sloan and Mrs. Glouster acted as commentators.

The program was presented over KCNO via tape recording November 10.

The Cabin Lake Ranger Station is closed for the season. Mr. and Mrs. Dan Beougher are in Bend for the winter and will return in the spring as soon as weather conditions permit. Their son Danny will attend grade school in Bend.
