

AN ALL-NEW AND EXCLUSIVE TURBO-DRIVE automatic transmission with a specially designed throttle kickdown is featured in 1955 model Lincoln and Lincoln Capri cars. Engine power has been increased to 225 horsepower, with major improvements in displacement and compression ratio to achieve more efficient and economical performance. Styling refinements include a newly designed front end, a longer rear quarter panel with a distinctive tail light assembly, and new two-tone upholstery combinations finished in striking moccasin stitching. Pictured is a two-toned Lincoln Capri coupe. The new Lincoln is now on display at Bosin Motors, 424 South Sixth.

"Joe never lets a tin-copper get the best of him!"

THE LONG, LOW, DISTINCTIVE STYLING of the Studebaker hard-top convertible that has proved so popular throughout the world is accentuated in the new 1955 models by the sweeping effect of chrome side moldings that extend from the headlights, above the massive appearing grille, to the newly styled tail lights. The flowing lines of this President State model are further brought out by hood and fender ornaments. The interiors are styled in diamond pattern nylon and rayon upholstery in complementary colors. Elegance of interior appointments and trim adds to the luxury of the high styling. The new Studebaker "Wildcat" V-8 engine with 175 horsepower gives this model superior performance and roadability. Lower prices prevail throughout the entire new Studebaker line.

surrounding Indians. What they didn't know was that two years earlier an unknown disease HAD KILLED OFF MOST OF THE INDIANS. What happened, you see, is that at Plymouth in the spring of 1621 the two races, the reds and the whites, came together in the spirit of humbleness and tolerance that follows mutual adversity. Nearly 2,000 years ago Seneca the Stoic wrote: "Fire is the test of gold; adversity is the test of strong men." Some 14 centuries later, William Shakespeare wrote: "Sweet are the uses of adversity Which, like the toad, ugly and venomous, Wears yet a precious jewel in his head."

Anti-U.S. Feeling Told

PORTLAND — Mrs. Raymond Clapper, here in behalf of CARE packages, said in an interview Wednesday that one who has not observed it at first hand cannot realize the intense anti-American feeling in Asia. Although strongly evident in Japan, it has reached its peak, she said, in the universities and in the press of India where "natives easily spit at you and shout, 'Go home! Go home!'" While they distrust this country, they have confidence in agencies of the United Nations, Mrs. Clapper said, because they feel they have a part in them. She suggested more might be done for democracy by turning over to the U. N. funds now expended by the Foreign Operations Agency. Asians accept CARE packages with the realization they are from the people and bear no governmental price tag. But, she said, despite the good it is far from enough. Her principal appearance here was at a Wednesday evening meeting of Temple Beth Israel attended by 600 persons.

Unions Stage Detroit Fight

DETROIT — More than a score of men were injured Thursday when 150 members of two AFL unions staged a pitched battle at the Mc Louth Steel Corp. plant in suburban Detroit where they were at work on a construction project. The fight did not involve any employees of the Mc Louth firm, one of Michigan's largest steel producing firms located in suburban Trenton. All 30 of Trenton's policemen were rushed to the scene to halt the battles and Mayor Gordon Strohm of Trenton telephoned Gov. Williams an appeal for state police aid. State Police Commissioner Joseph A. Childs dispatched plainclothesmen from the Redford post to survey the situation and held uniformed officers in readiness if needed. Police of nearby Wyandotte and Riverview also were alerted to move into the area if needed. Lieut. Fred Teska of the Trenton police said the fight centered around a jurisdictional dispute between AFL Riggers Local 578 and Millwrights (AFL) who have been working in the Mc Louth plant where an expansion program is underway. He said some members of Iron Workers Local 25 (AFL) helped the riggers in Thursday's brief but bloody battle.

By MYRTLE WIMLER Mrs. J. Quince Buell is in Seattle where she was called by news of the serious illness of her mother. Accompanying Mrs. Buell north were her daughter and family, Mr. and Mrs. Clarence Jenkins. Mr. and Mrs. Jack Kennealy moved to Poe Valley, where he will feed cattle during the winter months for Jack P. McAuliffe and son. With their families, McAuliffe, sons Patrick and Joseph, have moved to the McAuliffe ranch at Cottonwood for the winter. Mr. and Mrs. Dick Scotts and two children have moved into the residence of Mr. and Mrs. Loren L. Miller Jr., where they will live until the owners' return from Red Bluff in the spring. Mr. and Mrs. Glen Smith and children were weekend houseguests of his parents and brother, Mr. and Mrs. Wesley J. Smith and son Leonard. Local United Fund workers hope to wind up the Fort Klamath campaign by the end of this week, and anyone who has not been contacted in the drive is asked to leave his contribution with the chairman, Myrtle Wimer, at the Fort Klamath Garage. Fifteen-year-old Billie Zumbrun, son of Mr. and Mrs. Elmer (Dutch) Zumbrun, suffered a broken right arm while practicing basketball after school Monday afternoon. He was immediately taken to Klamath Falls for medical attention after first aid had been administered by the coach, Frank DiUlio. December 23 has been set for the annual community Christmas tree and entertainment which will be held in the Fort Klamath Community Methodist Church. Cooperating in arrangements for the pre-holiday affair are the Civic Improvement Club, the local school and church. The following committee of club members is responsible for obtaining the tree and Santa Claus: for soliciting funds for the treat for the children and purchasing and soaking the candy, nuts and fruit: Mrs. Wilbur B. Hesseck, Mrs. Gail Culver, Mrs. James P. Van Wormer, Mrs. Elmore Nicholson, Mrs. Gene A. Pate, Mrs. Bill Nicholson, Mrs. Dennis Knowles and Mrs. Dan Brown. A large donation of candy has been made by Edward (Bud) Strong and staff of the Fort Klamath Hotel dining room and kitchen. Mrs. Frank Strahan, local elementary school teacher, in cooperation with members of the church and Sunday school, will again this year present the program for the evening's entertainment, which will also feature

Portland Living Cost Declines

PORTLAND — A food price decrease led to a slight drop in the cost of living in the Portland area last month, the federal Bureau of Labor Statistics said Wednesday. The drop was 3 of a percent below the level of October, 1953, and 3 of a percent below July of this year. The food decrease was 1.8 percent, offsetting slight increases in housing, clothing, recreation and medical care.

Local Stores Burglarized

Two local business establishments were burglarized some time between closing time Tuesday and 8 a.m. Wednesday, with considerable damage done in breaking into one store. Griggs Grocery, Shasta Way and Division, scene of several attempted burglaries in the past received extensive damage to the ventilator system in the roof when culprits literally demolished it in gaining entrance. The ventilator extends three and one half feet above the roof with a revolving hood on top, an electric blower fan inside and a butterfly adjustable cover on the bottom. Bolts were removed from the mechanical device inside the ventilator and everything except the fan was tipped out and left on the roof. Investigating officers found a three-foot length of 1/2-inch log chain hooked over the edge of the vent and a short piece of 3/4 inch rope tied to the chain. To the rope was attached a chemise bedspread. This combination hung to within six feet of the store floor. Apparently the burglars slid down this rope, a distance of about 20 feet. An amateurish attempt was made to enter the safe, city police reported. An acetone torch left by a refrigeration repairman was used in an unsuccessful attempt to burn out the lock.

About \$5 in change was taken from the cash register but nothing else was reported missing from the store. Another burglary the same night occurred at the Klamath Valley Lumber Company, 1940 South Sixth, where entry reportedly was made by breaking out a window in the storage room. A few tools were taken from a display rack.
