Legion Collects Veterans' Gifts
 Gifts for the annual Christmas Gift Shop for the benefit of veterans in the Veterans Hospital at Portland were collected November 14 by the Klamath Unit, No. 14 American Legion Auxiliary. Mrs. Lena Stueben, rehabilitation chairman was in charge of the shipment.

Chicago Stock Show To Open
 CHICAGO (AP) - Exhibits at the 50th annual International Livestock Exposition will be opened Friday night. But judging will not begin until Saturday.

CERTAIN TO SHARE the beauty spotlight in Chevrolet's latest line of passenger car models is the Bel Air sport coupe, completely re-styled for 1955. Among noteworthy features in the above view are the broad, low grille and hood lines, appreciably increased vision through the new sweep-sight windshield, and the effect of fleetness imparted by chrome molding strips. This special two-tone color styling will be available on Bel Air sport coupes and convertibles among the 14 models now on display at Dugan and Mead Chevrolet, 410 South Sixth.

 Shrine Club, Pine Grove Room, 8 a.m. breakfast for Ben All Oriental Band, Climo, California.
 Commercial Art Class, Oregon Technical Institute, 4:30 p.m. dinner and election of officers.

Tavern Scene Of Shooting

PORTLAND (AP) - A Thanksgiving Day tavern shooting resulted in the death of Willie Yarbrough, 28, and the arrest of James Wilson, 25.

Detective John Sanders said there apparently had been bad blood between the two. He said Wilson told them Yarbrough stopped him Thursday morning and warned him he had better have his gun the next time they met.

Sanders said Yarbrough walked into a tavern where Wilson was later in the day. Wilson said Yarbrough started to pull out a gun. The detective said Wilson told him he grabbed his own gun and "let him have it. I wasn't going to let him shoot me."

Yarbrough slumped to the floor, killed instantly from three wounds. His gun was found on the floor beside his hand.

GALES
LONDON (AP) - Rain-laden gales sweeping in from the Atlantic brought widespread floods to southwest England and the midlands Friday. Winds topped 60 m.p.h. prevented the El-400-ton liner Queen Mary leaving Southampton with 800 passengers for New York.

English Move Marx's Body

LONDON (AP) - The body of Karl Marx, father of communism, has been dug up and reburied in a different plot in London's Highgate Cemetery. A bigger site was needed for a large memorial to be erected shortly.

The coffin was moved in the darkness early Tuesday by five gravediggers, working by the light of oil lamps. Officials said the home office, in keeping the transfer, specified that the reburial must take place at night. Also reburied in the new site were the bodies of Marx's wife Jenny; his grandson Harry Longuet; and Helene Demuth, a family servant.

Marx died here in exile from Germany in 1883 at the age of 65. His most famous book, "Das Kapital," is a bible of communism.

John W. Morgan, secretary of the Marx Memorial Committee, said the monument to be erected over the new grave will be of polished black granite with bronze figures in the base.

Charles Dickens' Writings Lauded By Basil Rathbone

NEW YORK (AP) - If Charles Dickens were alive today he'd be one of the greatest television writers in the business, says Basil Rathbone, an old hand at portraying Dickens characters.

Even as it is, declares the veteran, British-born actor, Dickens' works are ideal for television because of their classic descriptive qualities.

"Dickens," he relates, "tells you everything-how every character looks, how he walks, what he wears and even what he's thinking."

Thanksgiving Service Held

Spontaneous expressions of gratitude by church members for the blessings which a fuller understanding of God's love had brought into their lives was a feature of the annual Thanksgiving service held in First Church of Christ, Scientist, on Thanksgiving morning.

A period devoted to voluntary statements of gratitude is included in the Thanksgiving Day service in all Christian Science churches. Testimonies included mention of healing of physical disorders through the application of Christian Science, as well as other blessings.

The importance of expressing gratitude to God in deeds, rather than just in speech, was emphasized in the lesson-sermon read from the desk, entitled "Thanksgiving." It was especially prepared for the day, and consisted of selections from the Bible and from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy.
