

U.S. Soldier Of Fortune Sentenced In Switzerland

GENEVA, Switzerland — A gold from the plane and deposited it in the apartment of his mistress." The jury referred to Dahl's Swiss girl friend, Miss Ella Eppenberger, a former Swiss actress. She was arrested with Dahl in December 1953, but later was released.

The prosecution charged Dahl used part of the gold to finance four days of high living at Monte Carlo with Miss Eppenberger. Dahl claimed he won \$10,000 from the gambling tables at the famed Riviera gambling resort and used that to take up the tab for their stay. Miss Eppenberger testified also that Dahl won large sums playing roulette.

Dahl has clung steadfastly to his claim that he is innocent and that the package he was seen carrying from the plane contained only two bottles of cognac.

It was a low ebb in the career of Dahl, who sprang into international prominence during the Spanish revolution which put Gen. Francisco Franco into power.

Dahl flew for the Republican forces but was shot down by Franco's men. He was sentenced to death, then given a reprieve.

His beautiful blonde wife, through appeals to Franco, finally won a pardon for him. Dahl has since been divorced and remarried. He is said to have a wife and three children living in Canada. He is a native of Sidney, Ill.

In accord with Swiss criminal law, only a majority of the jury was needed to convict.

In addition to the jail sentence Dahl was ordered expelled from Switzerland for 10 years and ordered to pay the costs of the trial.

The three months and three weeks which Dahl spent in jail while the case was being investigated will be deducted from the jail term and the presiding judge said that with good behavior Dahl could be released in 13 months.

The accident which delayed Friday service occurred about 11 a.m. when the lead unit of a three-unit Diesel pulling a Southern Pacific freight train hit a rock slide and was derailed, according to G. W. Morgan, district freight and passenger agent for the Southern Pacific. The train did not overturn and there were no injuries.

Immediately after the accident, possibly because of the impact of the engine hitting the rock slide, a second slide covered the tracks behind the train. Both slides were about 30 feet long and some 10 feet deep, Morgan said.

The southbound Shasta Daylight Friday was stopped at Oak Ridge and returned to Eugene, leaving there about 6:30 p.m. Friday. The northbound Shasta Daylight was held at Dunsmuir and then rerouted over the Siskiyou line through Ashland. It was not carrying any passengers whose destination was Klamath Falls. The southbound Cascade Friday operated by way of Klamath Falls was only a few hours late.

Passengers on the northbound Klamath, which left here Friday morning at 10 a.m., were taken to Portland by Greyhound bus from Crescent Lake. Al Kusler, freight and passenger agent from Morgan's office, drove to Crescent Lake to direct the transferring of the passengers Friday afternoon.

Morgan stated that no reason had been found for the slides as there had been no recent rain or snow in the area. The prompt dispatching of work crews enable the SP to hold delays to a minimum.

PTA

GILCHRIST

By Hoge N. Brader
November 9 was Dahl's night at Gilchrist PTA. The regular session of the evening was held in the high school library. The president, Mrs. William Taylor, presided. The treasurer, Charles Shotts, reported that the sponsoring fee of \$5 had been paid to the Blue Birds and that a contribution of \$10 had been made to the Camp Fire Girls by Dr. P. T. Lindley, optometrist.

Dr. Lindley was the speaker at the October meeting of the Gilchrist PTA and the \$10 was the traveling expense allowed for an out of town speaker. Dr. Lindley is the father of two small daughters who are both Camp Fire Girls. He gave the traveling money to the Gilchrist Camp Fire group in honor of his daughters and the splendid work being done in Camp Fire work for young girls.

At present there are 104 paid up members in the Gilchrist PTA which is less than the quota set and the number for this time last year.

Mrs. Geraldine Lee's first and second combination room won the attendance record for the elementary grades for the month of October with 48 per cent. Vern Rocheck's 12th grade won the attendance flag for the high school with 50 per cent. The membership contest drive was won by Mrs. Agnes Warren's sixth graders with a per cent of 148. The prize for this membership contest was a party.

Mrs. Geraldine Lee told of the mother's conference club she had organized in her first and second combination room where the mothers meet with her informally once a month for discussion and help on the individual problems of her pupils. This group is able to do a thorough job of helping the parent and teacher relationship in understanding each child.

Anne Dolcan, commercial teacher, and Sharon Krueger were thanked for the excellent copies of the Gilchrist PTA constitution and by-laws which were sent to the Oregon Congress of PTA for the official seal of approval.

Vern Rocheck, principal, Mrs. Dave Frederickson and Mrs. Verne Brader were appointed by the president, Mrs. William Taylor, to serve on the project committee and report at the January meeting on January 11, 1955.

Vern Rocheck urged parents to have students explain to them the reason for the rule that no one should be on the gym floor after basketball season started unless

they had gym shoes or stocking feet while playing on the floor. Because these rules have been rigidly enforced, there have been no accidents to basketball players during practices and games.

He also announced that the junior and senior class play "Where's the Fire?" had netted \$98.98. This play was held on November 5 in the gym. The money from this play, and the money saved from previous class plays, will be used to buy new stage curtains in the auditorium and new background scenery. He also stated that each grade in the school had a banking account of its own which is being added to after each school carnival.

Before the PTA meeting, Mrs. Jean Hamilton, Gilchrist music teacher, held the first practice of the newly organized Mother Singers Group. Those interested are urged to come one half hour earlier for practice.

The dad's played a basketball game for the entertainment of the group. This turned into a hilarious bit of good humored fun. After the ball game, the group adjourned to the cafeteria for refreshments served by the combination first and second grade mothers.
