Good Neighbor Deed Exchanged

Daniel Herrera, OTI student from Ecuador, received an airmail letter from his home city of Quito, written by Mary L. Kellis, daughter of Mr. and Mrs. Harry Kellis, 2025 Ogden.

Miss Kellis is with the American embassy in Quito and has been stationed in Ecuador for a year with the U.S. Information Service attached to the embassy there.

As a result of her letter, Dan Herrera has called on her parents and has written his parents in Quito to get in touch with her. "I want them to have the same delightful moments we enjoyed when I met her parents. I know my mother will be so happy to hear all about Klamath Falls and the conditions under which I am living in the United States," Daniel declared.

"At my home she will meet my father and mother, two sisters, and my five little nephews and they will all make her welcome, I know," he said. "My sister, Ines, a graduate nurse who is working in the American high school in Quito, will act as interpreter as she speaks English fluently."

Daniel is finding his time in Klamath Falls well filled, as he teaches the Spanish language two afternoons each week at OTI and

Democrat Hits FPC Ruling

SAN FRANCISCO (AP) — Monroe Sweetland, Democratic national committeeman from Oregon, Friday leveled sharp criticism at a recommendation by legal counsel for the Federal Power Commission that Idaho Power Co. be licensed to build three low-level dams on the Snake River.

Idaho Power proposes to build the three low dams in the Hells Canyon stretch of the Snake on the Idaho-Oregon border where a federal high dam has been proposed.

Sweetland said in a statement: "This legal decision is the tip-off to the attempt of the administration to ram through the Hells Canyon giveaway to the Idaho Power Co. in the face of the emphatic mandate on Nov. 2 for the high federal dam at Hells Canyon."

at Klamath Union High School. Arrangements have just been made for him to instruct an evening class at the Chiloquin High School.

Senator Adds To Censure Count

SALT LAKE CITY, (AP)—Sen. Bennett (R-Utah) left for Washington, D.C., yesterday to prepare an additional censure count against Sen. McCarthy (R-Wis.).

Bennett said he planned to introduce the resolution soon after the special session of the Senate resumes Monday. It will be based, he said, on McCarthy's attacks on the Watkins Committee, the group which recommended censure of McCarthy on two separate counts.
