

AMBROSIA means "Nectar of the Gods," making it a perfect name for this divine dessert. The original ambrosia of orange slices and coconut became so popular in parts of our country where the fresh ingredients were readily available that the recipe traveled fast. Now, with modern food processing and streamlined transportation, everyone, the country over, can enjoy this subtle blending of tropical flavors as well as the numerous variations. Picture and recipe are courtesy General Foods Corporation and use Baker's Coconut and Jell-O Gelatin Dessert.

New Accessories

For some reason or other (which men can't understand) it is an irresistible impulse for women to look at spring hats before Christmas and yearn for a new pastel satin lastex beach or swim suit in the winter time.

Rose Marie Reid, who dreams up such lovely swimwear and play clothes at her Los Angeles headquarters, has a new silhouette this year with "the boned sheath." Her new look is in dimensions—new length for the torso, new elevation for the bustline, new width for the bra.

The hourglass silhouette, introduced by Rose Marie Reid two seasons ago, promises to continue its popularity and appears in several versions.

A new accessory group by Emilio of Capri is being shown with Rose Marie Reid's line. He has collaborated in designing a whole collection of beach accessories.

Long fringed, multi-colored squares of terry cloth become beach towels, pull-over jackets, dramatic capes, versatile wraps—all with beach sandals and intriguing hats to match.

Known by Italian names of "Bundlers," "Quadrills," "Sandals," and "Cappelino," they are combined in eight bold, brilliant colors to spark and complement swimsuit wardrobes.

JELLIED FRUIT AMBROSIA

1 package orange - flavored gelatin
1 cup hot water
1 cup orange and grapefruit juice
2 tablespoons lime juice
1 cup fresh or canned orange and grapefruit sections
1/2 cup shredded coconut, cut
Dissolve orange - flavored gelatin in hot water. Add fruit juices. Chill until slightly thickened. Then fold in orange and grapefruit sections and coconut. Spoon mixture into 1 quart mold or individual molds. Chill until firm. Unmold. Makes 4 to 6 servings.

**Simply Amazing...
CHOCOLATE-MOCHA CREAM
in 30 seconds!**

There's no end to the exciting desserts you can make with Amazo—the only basic instant dessert. Others will "set" only when mixed with milk.

But magic Amazo sets instantly with any liquid—fruit juice or coffee, for instance. Try...

AMAZO CHOCOLATE-MOCHA CREAM: Combine in deep bowl, 1 cup cold milk and 1 cup cold strong coffee. Add 1 pkg. Chocolate Amazo*. Whip 30 seconds with rotary beater and it's ready to serve!

*Be sure to use Amazo. So-called instant puddings will not work in this recipe.

SELECT RECIPE

When choosing a recipe for a fruit cake, keep these things in mind. A recipe which lists dark seedless raisins, prunes, figs, date molasses and assorted spices will turn out a dark, moist traditional fruit cake. On the other hand, those recipes which call for light seedless raisins, dried apricots, honey, candied cherries and peels, but no spices or dark dried fruits will produce a light cake.
