Shoplifting Charges Filed

Four teenage girls ranging in age from 14 to 19 have been arrested by local authorities for shoplifting.

Verla Koffler, 19, 2034 Oregon Avenue, Marcy Ann Ellinger, 18, 830 Prospect, and two younger girls aged 14 and 17, were seen to take merchandise from display racks at the Payless Drug Store Monday by a store detective and were held for city police.

According to officers a wave of shoplifting has become apparent with the placing of Christmas goods on the shelves and counters by local merchants.

Articles reportedly found in the girls' possession, admittedly lifted by them, included pedal pushers, nylon stockings, dresses, oil paint sets and cologne.

The two youngest girls were turned over to juvenile officers.

Appearing in district court Wednesday before District Judge D. E. Van Vector, the Ellinger girl was placed on six months probation, while Verla Koffler took time in which to plead. Her trial will be held later.

Texan Given Life Sentence

INDIANAPOLIS (AP) — Victor H. Lively was convicted and immediately sentenced to life imprisonment early Thursday for first degree murder in attempting to rape 18-year-old Dorothy Poole.

A Marion County criminal court jury reached a verdict in the dresser drawer murder case after deliberating nine hours. Judge Saul I. Rabb passed sentence immediately, committing Lively to Indiana State Prison.

Lively, 28-year-old Texan, stood hunched over the defense table, his face flushed, when the verdict was read. When Judge Rabb passed sentence, Lively sobbed on the shoulder of his attorney, Ferdinand Samper.

The girl's five foot eight body was found July 18, crammed into a four foot dresser drawer of Lively's hotel room. It was partially decomposed after two days of sweltering temperatures.

Lively was picked up by police a week later at Clayton, Mo.

Horseradish Crop Planned in Tulelake

TULELAKE — Planting stock is on the way from Missouri to raise a crop of horseradish in the Tulelake Basin.

Arrangements for the shipment were made by Burton J. Hoyle, manager of the Tulelake Experiment Station. More than 100 acres of land are pledged to the raising of horseradish here next season. The crop has a potential income of \$1,000 per acre, according to Hoyle.

His expenses to Missouri, one of the largest horseradish producing areas in the U. S. were underwritten by the University of California and the newly organized Horseradish Growers Association. He made the trip both ways by air. Hoyle returned home November 30.

Britain Warns Red Chinese

LONDON (AP) — Britain disclosed Thursday she has urged Red China to avoid "precipitate" action in the Formosan Strait that might lead to war with the United States.

A Foreign Office spokesman said the policy of moderation was urged on the Peiping regime in consultations with Communist China's charge d'affaires in London, Huan Hsiang.

"The spokesman said Britain has also asked the United States to use its influence in forestalling any provocative action by the Chinese Nationalists of Chiang Kai-shek.

The spokesman — replying to questions regarding the new security pact between the United States and the Formosa regime — said the advice was given to both the United States and Red China in keeping with "Her Majesty's government's policy towards the islands off the Chinese coast, which has been to urge on all concerned the dangers of fighting, the importance of lowering tension and of avoiding precipitate action."

Britain maintains diplomatic relations with Communist China.

Jury Indicts Three Convicts

SCRANTON, Pa. (AP) — A federal grand jury has indicted three prisoners at Lewisburg (Pa.) Penitentiary on a general charge of murder in the slaying of former government economist William W. Remington.

No date has been set for trial of the three — Lewis Cagle Jr., 17, Chattanooga, Tenn.; Robert Carl Parker, 21, Washington; and George Junior McCoy, 34, Grundy, Va.

Remington, 37, a prisoner at the penitentiary, was assaulted with a half-brick stuffed in a stocking Nov. 22. He was serving a sentence for perjury in denying he passed government secrets to a Communist spy ring. He died Nov. 24.

Cagle was quoted by prison officials as saying the motive was robbery.

FACT
TEHRAN (AP) — The Soviet Union signed a pact with Iran Thursday agreeing to settle this country's war debt claims and iron out frontier differences dating back to czarist times. The debt claims involve a bill of 11 tons of gold and eight million dollars the Russians ran up during World War II.
