KF Jaycees To Sponsor Xmas Contest

The Klamath Falls Junior Chamber of Commerce will participate this year in the nationwide Jaycee Christmas Lighting program.

Bob Beach, of Beach's Jewelry, has been named chairman of the event. Serving with him are Leo Morstad, Bob Lucas, Hal Hart and Larry Whitmyer.

In his announcement of the contest, Beach said:

"The purpose of the Christmas lighting contest is to spread the spirit of Christmas by means of decoration and light. Winners will receive prizes in addition to the knowledge that their efforts have added materially to the holiday pleasure of a great many more persons than they realize.

"Christmas lighting and special scenes help warm the glow of the Christmas spirit and the feeling of a Christlike brotherhood. Let's everyone participate by creating a small window scene, a lighted doorway, a lawn scene or roof display and send a beacon to our friends

and neighbors which says, 'Welcome, friend, and may this be your brightest Christmas yet.'"

Anyone in Klamath Falls or its suburbs may enter the contest. Entries may be made in one or more of the three classifications: door lighting, window lighting, lawn or roof scene.

Deadline for entries to be received at the Jaycee headquarters is the opening of the business day, Monday, December 20. Contest blanks will be published prior to that date. If a blank is not available, a note to Klamath Falls Junior Chamber of Commerce, P. O. Box 69, may constitute an entry in the contest.

Lighted displays should be ready by December 19 and must be lighted for the judging which will take place the evenings of December 20, 21 and 22.

Judges and prizes will be announced later.

No Injuries In Truck-Car Crash

No injuries resulted from the lone accident attributed to last night's storm, state police reported. No accidents were reported inside the city.

Oregon State Police reported a truck-car accident on the curve at Algoma shortly before 7:30 this morning when a car operated by George A. Wright, 720 Lowell, sideswiped a transport truck which had jackknifed on the slick pavement.

Driver of the truck, Oral Everett Burton, Vancouver, told officers he was forced to slow down to avoid striking a car ahead of him, when the big West Coast truck and semi-trailer started to slide.

Neither driver, or two passengers in the car, Wayne Neubert, 1748 Menlo Way and Ellis Siles, 2036 Orchard Drive, were injured, the report stated.
