

SINGING COWHAND, Don Weston and his Western All-Stars will be on hand Saturday night at the Klamath Falls Armory to lend their talents to a big dancing party starring Jimmy Wakely. Also billed by Impresario Baldy Evans for the frolic are the Three Rays, popular recording stars. Weston (above) has a national reputation as an exponent of the rangeland rhythms.

Top Democrats Blast Ike's Role In GOP Government

KANSAS CITY (AP)—Two Democratic leaders last night called on their party to hold President Eisenhower responsible for the actions of his lieutenants and to speak out on "deficiencies" of the administration.

Averell Harriman, governor-elect of New York, told a victory dinner audience:

"We've got to quit this business of excluding President Eisenhower from criticism of the unworthy campaign tactics that have been adopted by the Republican party, and that he has condoned."

"We've got to stop avoiding holding President Eisenhower responsible for the actions of his lieutenants and of the Republican party."

Paul M. Butler of Indiana, who said he proposed to be a fighting

national Democratic chairman, declared, "We will speak out plainly and vigorously concerning the deficiencies of the President and his party in their capacity to govern and unite the American people. This is our duty. It will be performed in the best interests of our country."

Butler said he had admired Eisenhower's military leadership "as much as any American but it is a matter of sincere regret to me that he has seemed unable to bring the tasks of civil government the qualities that made him such a renowned military leader."

"The truth is that our President has not shown the particular qualities that enabled Harry Truman to write such a courageous page in history, not only for himself as president, but also for the country he served so loyally."

Former President Truman, in introducing Harriman at the \$7.50 plate dinner for 600 Democrats, said he felt the nation's welfare was in better hands when the Democrats controlled Congress and the White House.

"We've got to recognize that the Republican administration in Washington sanctioned and aided this effort to avoid the issues and to mislead the voters—and I'm not talking just about Vice President Nixon either," Harriman said.

"When President Eisenhower told the people of this country that there would be a 'partisan cold war' in Washington if the Democrats won control of Congress, he was saying something that wasn't true—and that he has admitted wasn't true."

Masons Elect New Officers

Sanford C. Selby was elected and installed as high priest of Klamath Chapter, No. 35, Royal Arch Masons at a meeting last night in the Masonic Temple. He succeeds Charles Yorkland.

Joy Ustick will serve as king; Joe Thomas, scribe; Walter Brown, treasurer; Elvin E. Phillips, recorder; William Fink, C of H; E. Wallan, PS; Van Mollison, RAC; Joe Lovell, master 3rd veil; Art Leslie, master 2nd veil; Willis A. Glidden, master 1st veil; Willis H. Glidden, chaplain; Dale Howell, sentinel.

Elvin E. Phillips was installing officer and Richard Wilson acted as installing marshal. Committee chairmen were appointed and will be in a bulletin to the membership.

All Masonic bodies will assist with the coming visit of the Red Cross bloodmobile, December 16-17.

Civil Defense Exercise Held

DENVER (AP)—A mock atomic attack on Denver conducted by civil defense workers yesterday was assumed to have left 47,000 persons dead, 35,000 injured and 180,000 homeless.

Three other cities in the five-state area served by the Denver civil defense office—Wichita, Kansas City and St. Louis—also were assumed to have been hit.
