Man Injured In Auto Accident

One man was treated at the Klamath Valley Hospital and released following an accident on South Sixth Street shortly before midnight Thursday. James William Evtatt, 5447 Harlan Drive, was treated for back injuries after his car was struck in the rear by another vehicle operated by Alfred Ray Allstatt, Cozy Hotel. The accident occurred in front of the Klamath Tractor and Implement Company, state police reported.

Eye witnesses told officers the Allstatt car, traveling at a high rate of speed, was unable to avoid a rear-end collision when Evtatt pulled onto the highway in front of him. The Allstatt car skidded, bounced off the rear of the Evtatt vehicle, hit a highway post and stopped when it hit a tractor parked on the implement company's lot. Considerable damage was done to both cars, officers reported.

Anderson Plea Postponed

Time for pleading in the James Quinton Anderson first degree murder case has been postponed from Saturday to Monday, Circuit Judge David R. Vandenberg announced Friday.

Anderson is accused of the shotgun slaying of Richard David Miller, 29-year-old member of a wealthy former Tucson, Arizona family at Beatty on November 6. State Policeman Larry Bergmann, who arrested Anderson, said the shooting followed a fist fight between defendant and Miller.

Judge Vandenberg said he postponed the time for pleading at the request of Defense Attorney Herbert P. Welch of Lakeview who notified the court he would be unable to appear Saturday due to other legal business.

Anderson is held without bail in the county jail. He also is awaiting trial on a charge of assault with intent to kill. He is accused of participating in a "night of terror" attack upon Mr. and Mrs. Albert Sidney Menasco Jr. of Grants Pass. They were under gunfire for an entire night after being waylaid by two men on a lonely road near Beatty.

Attorney Welch has indicted he will ask for a change of venue in both cases on grounds his client could not obtain a fair trial in Klamath County.
