DONALD M. SMITH

Farm Adviser Changes Posts

RED BLUFF — The retirement of Donald M. Smith, Tehama County Executive Farm Adviser and his employment with the Sacramento Valley Irrigation Committee, is announced by Marion S. Walker, a Sacramento Valley Irrigation Committee director and publisher of the Red Bluff Daily News.

Smith will join the Sacramento Valley Irrigation Committee, an organization with whom he has been associated since 1947, on January 1, the same date his retirement with the extension service becomes effective.

Smith will continue to manage the famous Red Bluff Bull Sale which he helped to organize in 1942 and which has since become the largest auction sale of selected and graded range bulls held in America.

Dates for the 1955 bull sale have been set for February 3, 4 and 5 at Red Bluff.

The retiring farm adviser has been with the extension service since 1921 and has been the Tehama County Director of this University of California organization since the early part of 1923, arriving here from Stanislaus County.

Pelican Beat

By NANCY CLARK

By now most everyone has certainly done the best part of their Christmas shopping. But, of course, I understand the boys don't do theirs until Christmas eve. Here's some helpful information, just in case a few like myself wait until the rush.

Some really beautiful candles have been made by Klamath Union High School's Future Business Leaders of America. These attractive multi-colored will make perfect gifts at a very low price, also attractive decorations for yourself or friends. All funds raised will be used to send delegates to Corvallis in the spring. Helen Lane acts as FBL's president with Christine Tucker, vice president; Marky Cox, secretary; and Joyce White, treasurer.

Sophomore Tri-Hi-Y was forced to split its over-grown group this year. A board was selected to draw names dividing the club. Board members were: Karen Kiger, Mary Harlan, Sheila Kunz, Mary Lou Caldwell, Janet Wisner, Gracie Lou Henry, Carolyn Garrison and Susan O'Hair.

Our efficient and personable Klamath Union High School secretary Lucille Estes has been absent from her job for the last few days. We regret to hear that she was called to San Clemti, California by a death in her family. The student body will welcome her return.

Student Builders, a club for "1" students in shop, under the direction of William Fink, resolves for the first time to become an active club of KUHS. We wish the group success in their projects. The builders consist of: Bob Anderson, Jim Anderson, Art Badorek, Gilbert Baker, Cecil Bennett, Don Braillier, Stan Brooks, Leon Brown, James Carney, Jimmie Cox, Ray DeLong, David D'Olivo, Gerry Flocchini, Charles Guptill, Bill Hamblin, Bob Hearth, Don Hitchcock, Gerald Hodges, Don Keller, Bill Kimsey, Bill Lewis, Bob Pallies, Gary Price, Dick Ross, Lee Stilwell, Ray Tarwater, Ray Zalunardo and Zane Zirkle.

Chicago Beef Sales Reported

CHICAGO (AP) — Barrows and gilts declined 25 to 50 cents in the hog market this week while sows were steady to 25 cents higher.

Most hogs sold at the lowest level in two years during the period. Average cost of barrows and gilts on Thursday was $17.13, lowest average cost since December, 1952. Receipts totaled 74,000 head compared with only 47,000 a year ago.

Feature of the week in the cattle section was a good demand for prime offerings. Two loads of prime 1,115 pound steers topped at $32.00, which was equal to the high since April and only 50 cents under the year's peak. One load of prime 980 pound heifers reached $28.00, equal to the highest price paid for straight heifers in load lots this year.

80 Miners Die In India

NEW DELHI, India (AP) — Union officials said 80 men died Saturday in an Indian coal mine disaster and blamed it on the supervisory staff's pre-occupation with the forthcoming marriage of the mine manager's daughter.

C. P. Mehta, president of the Madhya Pradesh Mines technical staff and workers' union, said 80 men died in a coal mine near Parasia in Central India when they were trapped by collapsing mine walls. Previous advices said 64 men had died in what appeared to be India's worst mine disaster in recent years.

Mehta charged the management with "criminal neglect." Other union officials said the supervisory staff was so busy with the forthcoming marriage of the mine manager's daughter nothing was done about ventilating a pit that was out of order.

Japan's New Government Tells Policy

TOKYO (AP) — Japan's new government promised today that continued collaboration with the United States and other non-Communist nations will get first priority over expanding trade with Russia and Red China.

Foreign Minister Mamoru Shigemitsu formally enunciated the policy following prime Minister Ichiro Hatoyama's first meeting with his Cabinet.

Shigemitsu, back in place of power again after being convicted as a World War II War criminal, said Japan was willing to restore normal relations with Russia and China so long as such negotiations do not "prejudice our basic collaboration with the free nations."

He added that the new government does not "necessarily expect much from trade with Communist nations at the present juncture but . . . we shall welcome opportunities of expanding the volume which now is rather small."

Shigemitsu's statement appeared to bear out predictions of Japanese editors, writers and politicians that the Hatoyama government actually expects to accomplish little, if anything, in promoting trade with the Reds before the promised dissolution of the Diet in January.

To get the leftwing votes necessary to elect him Thursday, Hatoyama had to promise Japan's Socialists he would dissolve the Diet by the end of January and call elections to be completed by March 10.

Hatoyama, a Conservative like his predecessor, Shigeru Yoshida, allied himself with the Socialists to help force Yoshida's resignation.

The Socialists believe they can make serious inroads into Conservative strength in the elections. But they did not ask nor get any posts in Hatoyama's all-Conservative Cabinet.

Except for the mildly-worded mention of trade with the Communists, the Cabinet policy statement largely echoed the policies of Yoshida's staunchly pro-American administration.

French Vote Backs Policy Of Premier

PARIS (AP)—Premier Pierre Mendes-France won a 294-265 vote of approval in the National Assembly last night, for his policy toward France's restive North African territories.

The government victory, following a heated two-day debate, was one of the premier's slimmest since he took office last June. On each successive vote recently the Assembly has whittled away at his majority.

More than a score of deputies paraded to the Assembly rostrum earlier to ask specific questions about the program the government plans to pursue in Tunisia, Morocco and Algeria.

The Premier claimed terrorist activities have been considerably reduced since he took office. Asserting his government had moved energetically to meet threats with an impressive display of force, he said he would continue to do everything possible to guarantee France's continued presence in North Africa.

Several deputies accused the government of being too soft in dealing with Tunisia's outlaw Fellagas, who have been invited to come out of hiding in the hills and turn in their arms with the promise they would not be arrested.

Mendes-France said 2,514 had surrendered, and the offer had saved the lives of French soldiers. He added France could afford this policy of forgiveness as she has 35,000 to 40,000 troops in Tunisia and has the Fellagas cornered.

Warmer Air Moves North

By THE ASSOCIATED PRESS

Warm air moving in from the Gulf of Mexico Saturday is expected to bring higher temperatures to the Midwest as far north as Southern Illinois.

However, temperatures were considerably lower over most of the Midwest. At Grantsburg, Wis., it was 3 above and 6 above at Eau Claire and Wausau.

Light snow fell from the Great Lakes to Northern New England. At Caribou in Northern Maine, however, six inches were recorded in a 24-hour period.

The East was quite mild. Boston and Washington both had lows of 38.

Light rain and snow fell in Missouri, and South Texas reported scattered showers. The heaviest rainfall was at Farmington, N. M., .66 of an inch. And at Bryce Canyon, Utah, the snow depth was up to eight inches.

It was clear and cold over the Southeast with widespread freezing reported southward to Northern Florida where Cross City had a chilly 27.

Most of the Far West was normally cold but the Northern Rockies were warmer than normal.

Next meeting of the group will be at the home of Mrs. Gladys Riley, January 3.

Altar Society Holds Party

WEED — St. Catherine's Altar Society enjoyed its annual Christmas party Tuesday evening with a dinner and gift exchange held in St. Michaels Hall. Forty six members with husbands as guests attended the party.

Rosalee, Rosalinda and Sarah Alvarado, Marcia and Gary Sbarbaro, Rita Cross, Peter Baldo and Jimmie See participated in the program.

Mrs. David Sbarbaro and Mrs. John Mantle arranged the decorations. Mrs. Victor Thompson and Mrs. John Mantle were hostesses for the holiday party.

Economics Club Holds Dinner

A no-host potluck dinner was served by members of the Midland Home Economics Club at the home of Mrs. Fred Crapo, Spring Lake Road on Tuesday, December 7.

During the business meeting that followed plans were made to arrange for and furnish another grange hall to replace the one destroyed recently by fire.

A Christmas party with exchange of gifts closed festivities. Secret Pals were revealed and names drawn for next year.

The next meeting will be held at the home of Mrs. Gertie Huff Midland, January 4 at 1 p.m.
