## GLAMOR GIRLS

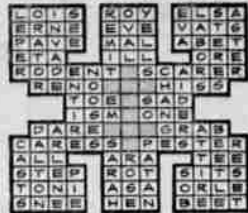

"But maybe Cousin Albert doesn't NEED a sweater."

## Help Wanted

|                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        |
