

MRS. FRANZ NEHAMMER

Over the GARDEN GATE

GARDEN GOSSIP
By E. G. Gardner

Did you ever play "gossip" when you were going to teen-age parties? The one where you start a bit of news at one end of the line just to see how it comes out at the other?

Something like that must have happened to the notice about the Five Club Flower Show. Contrary to what the Sunset Magazine reported in its last issue, there will be no admission charge to the show. Only way I can think of that particular bit of nonsense got started is that there will be refreshments served by the Juniper Garden Club and charged for, of course.

The important thing is that there is no admission charge, though the show will be worth one.

Talking about the show, there's a lot of interest being shown in the old-fashioned "Victorian" favorites. Those who know think there will be a good many entries in Number 15, "At Home" that features little bouquets to be carried in the hand. The flower show committee will furnish the foil to wrap the stems. The "Nosegays" on the other hand, are little bouquets arranged in a goblet, or a low bowl or even a cake plate of glass or silver. They get their name from the fragrant flowers that are included. People who are planning to enter that class must remember to please the nose as well as the eye on that one.

And that brings me to the "Collector's Corner." It's going to be interesting to see just what this country can really produce in the way of variety in flowers. If you're wondering what to plant, here is a good place to find out. No house plants, trees, shrubs or vines are included since they are found in other sections of the show, but all sorts of annuals and perennials will be found.

Mrs. Archie Proctor is replacing Mrs. Lyle Hickman as arrangement chairman for the show. Mrs. Hickman is moving to Portland. Her going will be a loss to her garden club for Mrs. Hickman was an able and willing gardener. However, the show is fortunate in having Mrs. Proctor to take her place. Mrs. Proctor has had a good deal of experience in both local and state garden club things.

Mrs. Charles Johnson of Poe Valley replaces Mrs. Reeling as chairman of the sales committee. The Poe Valley Garden Club is one of the sponsors of the show. Mrs. I. W. White, the hospitality chairman and her daughter, Mrs. Don C. Johnson, are co-hostesses for a patio luncheon for the judges, student judges, and clerks. Judging and point scoring, Mrs. Nehammer.

Tuesday, August 30 - 9:30-10:30 a.m. registration continues; 9:30-10:45 a.m. announcements; 9:45-10:45, horticulture, "Chrysanthemums." Mrs. Mahoney; 1 a.m. to noon, judging and point scoring, glads and mums, Mrs. Mahoney; split and paired complementary harmonies and triads, Mrs. Nehammer; 2:30 p.m. judging and point scoring, Mrs. Nehammer.

Wednesday, August 31, 9 a.m., written examinations (garden club members only); examinations compulsory, only if studying for an accredited judge. Students will be required to judge a small flower show.

ing of the show begins at 11 o'clock and the luncheon will be held immediately after at Mrs. White's home in Mt. Laki.

There are a couple of special features that you should plan to see at the show. One is the exhibit of birds that Mr. and Mrs. Kenneth McLeod are arranging. Anyone interested in birds will find it worth seeing. Both Mr. and Mrs. McLeod are experts in the field and their collection is outstanding.

It's going to be quite a show with Mrs. Hugh O'Connor deserving a lot of the credit. She's the general chairman, and has worked like a Trojan to keep it going. See you at the show!

SP Trains To Be Tagged By Cops

SAN FRANCISCO (UP)—The Board of Supervisors decided yesterday to let police tag Southern Pacific trains every time they block traffic for more than five minutes.

A new ordinance, which will become effective in about two weeks, provides for penalties of up to \$500 or six months in jail for each offense.

The supervisors took action after hearing reports that SP trains at the Third and Townsend Station barricade the Fourth St. crossing for hours.

BET TOLEDO, Ohio (UP)—City Water Commissioner Sol J. Wittenberg has offered to pay \$100 to anyone who could drink two cents worth of city water in a week.

But Wittenberg said he wasn't worried about any takers. He explained that two cents would buy 116 gallons of water. That would mean someone would have to drink an average of 2.73 quarts of water an hour, 24 hours a day for a seven-day period.

DELEGATION TOKYO (UP)—A seven-man delegation from Red China arrived Tuesday by plane to attend leftist-sponsored rallies to outlast nuclear warfare.

Clerks End Negotiations

SAN FRANCISCO (UP)—Local 648 of the AFL Grocery Clerks Union has reached agreement with Safeway Stores, ending some six months of negotiations and winding up a dispute of more than six years' standing.

The settlement calls for Safeway to sign a contract conforming to the citywide industry agreement which Local 648 signed with all other San Francisco grocery employers during and after a month-long strike and lockout earlier this year.

Under terms of the settlement, the union gains a clause defining clerk's work and the right of its members to perform such work. In addition, the agreement provides a pay increase of 23 a week, three weeks vacation after five years of service, increased premiums for Sunday and night work, and a clause prohibiting discrimination in hiring and firing because of age.

It was the clerks' work clause that had become the central issue in the union's dispute with Safeway and had figured in a six-month's strike here in 1950.

The agreement also opened the way to the settlement of similar disputes in San Mateo, San Jose and Vallejo.

UP GOES CHRYSLER'S PRODUCTION MORE THAN 40% Here you see construction work proceeding on the new Chrysler production facilities which will add 667,000 square feet of floor space... including a 14-mile long continuous conveyor system, longest in the industry.

CHRYSLER'S giant expansion program brings you the greatest new car buying opportunity of the year!

Because of the unprecedented demand for its 1955 models, currently up to a new record high, Chrysler has had to undertake a Giant Plant Expansion Program. When in full production the new plant will provide a 40 per cent increase in Chrysler Windsor V-8 and New Yorker output.

Knowing that building operations would take several months, we have tried to provide enough 1955 Chrysler Windsor V-8's and New Yorkers to meet the demands of our customers through the season. This meant filling our entire year's supply right now in mid-season.

You Get Year's Widest Selection of Models and Color Combinations

Since we tried to anticipate your needs, we can show you a wide selection of

color combinations and body styles, but our supply will never again be as great as it is right now! Indications are that there just will not be enough of all models and body styles to go around.

Your present car will never be worth more in trade

Remember that fact! Right now your present car is worth more in trade than it ever will be again.

And we can allow you more for it than anybody else in town. That's not just talk. There's a good reason for it.

We Need Used Cars

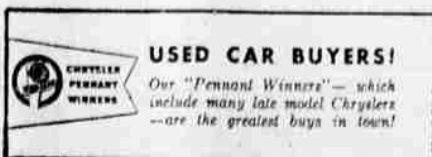

When these new cars are gone, we'll be hungrier than ever for used cars. That's right—as these wonderful new Chrysler buys move out we will be

needing more and more late model used cars. That's a double reason for you to trade for a brand new Chrysler beauty right now. You have the year's finest selection of the popular 1955 Chryslers... and, we're in a real trading mood to get our used car stocks in shape.

Take the 100-Million-Dollar Ride Today!

If you've been holding off on buying your new 1955 Chrysler Windsor V-8 or New Yorker, if you've delayed for any reason, better act now.

Because when our present stock of new cars is gone, we can't get any more! So, come in today. Experience the thrill of the 100-Million-Dollar Ride... the ride all America is talking about. It will be the smartest new car buy of your life!

USED CAR BUYERS!
