WCA Mail Pay Figures Revealed

WASHINGTON (AP) - West Coast Airlines should get a lump sum payment of \$1,997,509 for carrying mail for the year ended last Oct. 31, the Civil Aeronautics Board ruled Tuesday.

For each month since, the CAB held, the line shall get \$2.83 cents a plane mile for carrying the mail. In another development involving WCA operations, the line asked the CAB to certify Pendleton, Ore., as a permanent part of its route, rather than on a temporary basis as was proposed in the board's tentative findings of July 22.

West Coast also objected to the proposal to eliminate Tacoma and Olympia from its Portland-Seattle routes No. 2 and 3.

POLIO SHOTS

PORTLAND (AP) - Oregon has received a new allotment of anti-polio vaccine, enough for 7,000 two-shot series, the State Board of Health announced Tuesday.

That increases the supply received this month to about 25,000 shots, or 12,500 series. All is for commercial distribution to pharmacists and physicians. The board's advisory committee has asked them to confine the shots to children in the age group 5 to 9.
