

### Fremont Log Sale Slated

LAKEVIEW — Approximately 14,600,000 board feet of Fremont National Forest timber will go on sale on September 8 at 2 p.m. at the office of John E. McDonald, Fremont supervisor.

The timber is in the Harvey-Creek and Bennett Flat area at Summer Lake Rim and includes about 11,800,000 board feet of live or recently dead ponderosa pine; about 2,800,000 board feet of live or recently dead white fir and other species and an unestimated amount of older dead timber of all species.

Appraisal prices are \$13.45 basic and \$9.55 sliding scale for a total of \$20 per thousand on the ponderosa pine; \$1 basic and \$1.65 sliding scale, for a total of \$2.65 per thousand on the white fir; and \$1 first basic price on the unestimated dead timber.

Cooperative deposits required of the successful bidder will be \$1.20 per thousand for slash disposal and \$1.90 per thousand for tree planting, seed sowing and timber stand improvement.

Bidders must submit a sealed bid by 2 p.m. on the day of the sale, accompanied by \$10,000.

### Sermon Subjects For Sunday Set

"Not Minding Your Own Business" will be the theme of sermons Sunday at both the Klamath Falls Peace Memorial Church and the Community Presbyterian Church of Tulelake.

Sermon at the Tulelake Church will be preached by the Rev. Marvis Keyser, pastor of that church, at 9:45 a.m., and at 11 a.m. he will preach at the Klamath Falls church.

The sermon will be based on the encounter of Jesus, the child, with the scholars of the Temple of Jerusalem.

### 'Y' Staffer Attends Meet

A five-day session over which leading trainers and physical therapists presided at classes was attended by Robert O. Johnson of the YMCA's health service department last month.

He returned Sunday from Winnipeg, Manitoba, Canada, where with some 35 other persons attended the sessions sponsored by the Health Service Operators of North America.

Leaving here by car with his wife, Edith, on July 17, they visited Yellowstone National Park on the going trip and stopped off at Glacier National Park on the return trip.

Johnson is in charge of massages, the steam room and the hand ball court at the local Young Men's Christian Association of Klamath Falls.

The Johnsons live at 2245 Bichu Street.

### Grand Jury Call Issued

Acting under orders from Circuit Judge David R. Vandenberg, County Clerk Charles D. Laup Wednesday issued a call for the grand jury to report for duty on September 1.

District Attorney Richard Beesley said only three cases are scheduled for grand jury investigation at this time. Topping the list is the case against Leon Gale Pearson and Melvin Chiloquin, held in connection with the "hair-cut death" of John Madrueno, Southern Pacific railroad worker.

Also scheduled for grand jury probe is the forgery charge against Ulysses Ford. He is accused of passing a bogus check at Dick Reeder's Store for Men.

The third case involves Bruce Waterbury, held on a non-support charge.

Members of the grand jury are: James G. Grimes, foreman; Mrs. Maud E. Liskey, Delbert Cummings, Charles E. Hartley, Arthur H. Stites and Gerald D. Thomas.

### Car Theft Case Held

A preliminary hearing for an ex-convict from Missouri charged with larceny of an automobile was postponed for 24 hours Wednesday by District Judge D. E. Van Vactor at the request of the district attorney's office.

The defendant, Harold Eugene Meyers, 32, alias Harold Vance, is accused of stealing a pickup truck belonging to A. E. (Mickey) Wampler, Rocky Point rancher.

When he obtained the postponement, District Attorney Richard Beesley presented an affidavit signed by Wampler in which the complaining witness stated it was impossible for him to appear in court Wednesday morning.

According to Sheriff Murray Britton, a report on Meyers issued by the Federal Bureau of Investigation shows the alleged truck thief was twice sentenced to Missouri State Prison and once was sought as an escapee from a Missouri prison farm. Meyers is held in the county jail in lieu of \$2,000 bail.

### Soroptimist Chief To Tour Alaska

LAKEVIEW — Mrs. Anne Sprague, Northwest regional governor for Soroptimist International, left August 3 for Alaska where she is making an official visit of Soroptimist groups in Ketchikan, Juneau, Sitka, Anchorage and Fairbanks.

Mrs. Erma Clause of Lakeview, is accompanying Mrs. Sprague on the two-week trip. They are traveling by plane and plan to take a side trip into the Arctic Circle.

## Soviets Hint At Changes In Censorship Rules For Western Newsmen Soon

MOSCOW (UP)—A top spokesman for the Soviet Foreign Ministry hinted broadly yesterday there soon may be a dramatic change in Soviet censorship regulations for Western newspaper correspondents.

The possibility was not excluded that censorship would be dropped entirely, the spokesman implied.

(United Press Correspondent Kenneth Brodney filed the dispatch from Moscow yesterday reporting a possible easing of censorship but the cable was not delivered to its London destination until today. It is assumed it was held in censorship although dispatches filed by other correspondents on the same subject were delivered more promptly.)

Leonid F. Ilyichev, Soviet briefing officer for the press at the Geneva Big Four conference and previous international meetings, met a group of correspondents today. He now is chief of the Foreign Ministry Press Department.

Asked whether and when censorship would be lifted, the press spokesman said: "We will live and we will see."

He alluded broadly as he made this comment, and denied reports abroad that communist correspondents no longer had to submit news copy to censorship.

"Rules are the same for all,"

he said and asked "what obstructors" correspondents in Moscow had met while trying to file dispatches.

The United Press reporter replied that the most important stories were still killed in whole or in part by censorship. Also valuable time and energy was lost in having to type dispatches that otherwise could be dictated immediately by telephone to foreign bureaus, although some dispatches concerning official stories were exempt from this control.

### Ram Sale Group Named

LAKEVIEW — A sheep sitting committee has been named for the 19th annual Ram Sale to be held under the sponsorship of the Fremont Sheepmen's Association on August 25. Walt Lechmann Jr., association president, will be chairman of the committee.

Serving with him will be John Laxague, Surprise Valley sheepman; Dr. Paul Allen, Oregon State College veterinarian; William Weir, formerly of Lakeview and now livestock college professor at Davis, California, and Dr. Vic Hill, practicing veterinarian of Lakeview.

Producers are asked to obtain a health certificate for sheep consigned to the Lakeview sale. No disease has been traced in rams sold through the sale and none is expected, according to Elgin Cornett, county agent.

The sitting committee is asked to take out all rams which are lame, show defects, over-age, poor quality or with any sign of disease.

This will be the 15th annual sale at Lakeview sponsored by wool-growers for improvement of the sheep industry.

Shipping weights have increased 15 pounds per head since the ram sales started, an average of one pound per head per year since the sales have been held, according to Cornett.
