

**TALE**  
LOS ANGELES (AP)—Former prize fighter Jacob (Buddy) Baer said yesterday in explaining why he couldn't pay \$750 alimony arrears: "I'm too old to fight, and I haven't had enough acting experience to

be a good wrestler." The judge dismissed the suit, brought by Baer's estranged wife, May Mann, movie fan magazine writer and Miss Utah of 1928. Baer, 40, said he is a film actor but has earned only \$6,000 so far this year—a sum consumed by living expenses.

**BILL**  
WASHINGTON (UP)—President Eisenhower signed into law yesterday a bill creating a bipartisan, 12-member commission to review the government's loyalty-security program for federal employes and defense workers.
