

YACHT CLUB

FROM EARLY MORNING until the food committee started serving at 2:30 p.m., the long row of rolled prime rib roasts were turned constantly over the barbecue pit. Turning the spit in the picture, is Janie Black—and her sister Kathy is applying the "special sauce."  
 The recreation area at Rocky Point Resort was again the setting for the annual Klamath Yacht Club picnic for members and their guests—and as usual, was a "family day."  
 Identification of pictures and further details are on an inside page of today's society section.
