### Drive Charge Case Closed

WEED—Joan Scott, 15, daughter of Mr. and Mrs. Harold E. Scott of Weed, pleaded guilty Tuesday in justice court before Judge Kenneth Stone to charges of driving while unlicensed.

She was originally and additionally charged with manslaughter and driving on the wrong side of the road. The charges grew out of an accident on April 16 of this year, five miles north of Weed on Highway 97 in which a Tulelake woman, Mrs. Beatrice Duet, was killed and two other Tulelake women, Mrs. William Seigler and Mrs. Oliver Pidgeon, were seriously injured.

According to records in the case, the Scott girl was driving north the morning of April 16 and admitted she took her eyes away from the road in order to close an ashtray. During that time, she pulled into the wrong lane of traffic. When she looked up she saw the southbound car approaching, driven by Mrs. Duet.

At her arraignment in the Weed court on April 18, the case was certified to the juvenile court in Yreka. At the juvenile court hearing on July 7, Judge James M. Allen decided that evidence justified his being remanded to the Weed Justice Court.

The defendant's attorney, Margaret Hoyt, appeared with Joan Scott and moved for dismissal of the manslaughter charge and the charge of driving on the wrong side of the road. Dismissal was granted on both counts.

The girl was sentenced to 60 days in the county jail with time suspended and she was placed on probation for a period of three years. A condition of the probation stipulated that she is not to make application or attempt to obtain a driving permit during that time.

### Check Charge Hearing Waived

A 41-year-old woman who told police she forged and passed bogus checks to "pay my boy friend's debts," waived preliminary hearing late Tuesday when arraigned before District Judge D. E. Van Vactor.

The defendant, Mrs. Margaret Rogers Cobble, was ordered held for the grand jury. Her bail was set at \$3,500.

According to Deputy Sheriff Del Summers, who, with Leslie Watson, Burns Detective Agency operative, and City Detective R. N. Adkins, arrested the woman, she forged seven checks which were passed in stores and taverns.

"I did it to pay my boy friend's debts," she declared when booked at the county jail. "He needed help."

A complaint charging Mrs. Cobble with forgery was filed shortly after her arrest by District Attorney Richard Beechey. She is specifically charged with cashing a worthless check for \$110 at Dick Reeder's Store for Men.
