# Cadillac

Figures He's Waited Long Enough!

The long-striding, fast-moving man you see in this picture has made the right decision at the right time!

For the past year or so, he has been thinking about a Cadillac—and he has finally made up his mind.

He is through with compromise and doubt and wonder. This time, he is going after the real thing!

And how lucky he is that he made that decision today! For wonderful news of a special nature is waiting for him.

He'll find, for instance, that Cadillac ownership is far more practical now than ever before. He'll learn, in fact, that the lowest-priced Cadillac can be purchased for little more than he might expect to pay for a goodly number of the so-called medium-price cars.

He'll also find that his dealer—because of a low used-car inventory—is in a position to offer him a very generous allowance on his present car.

And he'll discover that, because of Cadillac's greatly increased production during the current year, he can take title to his new Cadillac after a surprisingly short waiting period.

And all these special inducements, of course, are in addition to the other great Cadillac virtues—such as legendary dependability and long life... remarkable economy of upkeep and operation... and traditionally higher resale value.

All in all, he's walking in on the motor car opportunity of a lifetime!

And how about you? Have you been postponing your dreams of a Cadillac?

If so, there's no reason to wait any longer. Come on in and see us. Let us put you behind the wheel of a Cadillac... and give you the whole, wonderful story of the "car of cars." We think you, too, will decide that you've waited long enough!

Taste alone proves Sunnybank margarine naturally better!

Put your taste to the test! Try Sunnybank and taste the difference. Nothing takes the place of fresh, natural flavor in a spread... even when used in cooking or over hot foods. You'll agree—it pays to choose Sunnybank, the margarine that's naturally better!
