Farmer Enjoys Russian Tour

SPOKANE, Wash. (AP)—Wheat farmer Asa V. Clark came back from a tour of Russia with a single souvenir ruble in his pocket and said the trip was worth the $3,000 it cost, although he learned nothing new about farming.

Clark, whose farm near Pullman, Wash., is in the nation's richest wheat belt, said yesterday on his arrival home he thought some of the land in Russia appeared as good as anything in America.

Clark is a state senator and at 60 was the oldest member of the United States farm delegation. He said "they took us to their best farms" during the 10,000-mile, 30-day tour.

"We only got to pick one of our own choice."

Despite sumptuous banquets, Clark said he lost 10 pounds on the tour.

"When you get caviar, tomatoes, onions, cucumbers and everything else morning, noon and night, it gets pretty tiresome. I didn't drink any of their domestic water or milk. We had some bottled water.

Community Club Holds Meeting

TULELAKE — The Homestead Community Club members, meeting August 19 at the home of Mrs. W. G. McClymonds, held a business session following a potluck luncheon, Mrs. H. T. Street, president, presided.

The next meeting will be September 16 at the home of Mrs. A. E. Ryckman for a 12:30 p.m. potluck. Guests were Mrs. A. E. McClymonds and Holly Brownscomb, daughter of Mr. and Mrs. Robert Brownscomb, Berkeley.

Service Station Units Leased

CHILOQUIN—Mr. and Mrs. Roger Wright Sr. have leased Douglas Howser's service station at the junction of Highway 97 and the Crater Lake Highway. The newly constructed building of pumice brick adjoins a cafe, and Howser is installing a 10-unit motel nearby.

Wrights are operating the business 24 hours a day. Wright is also foreman of the state highway maintenance crew for this area.
