

NEARING COMPLETION is this new lookout tower for the Klamath Falls Ground Observer Corps. The lookout is located next to the Klamath Forest Protective Association headquarters on Highway 66 near town. J. L. O'Donahue, civilian supervisor for the corps, said that the lookout should be ready for use next week. It is being built through volunteer work and contributions.

Foot Bridge Contract Let

YREKA — The Charles MacClosky Company of San Francisco submitted a low bid of \$61,507.75 for construction of a pedestrian overcrossing just north of the Sacramento River bridge on U. S. Highway 99 through Dunsmuir, the state Division of Highways announced here today.

The structure will have a 99-foot span, with no piers on the four lane, divided highway itself. There will be approach spans about 30 feet long at each end of the main span, and on and off ramps will have no stairways.

A unique feature of the overcrossing will be the electric heating in the floor, so that snow or ice will not cause a winter hazard for pedestrians. J. W. Trask, Division of Highways regional engineer at Redding, says that to his knowledge, this is the only such heated bridge in northern California.

The overcrossing is being built to protect pedestrians from high speed traffic on the freeway, which will open highway all the way through Dunsmuir after it is completed. At present, the four lane stretch ends just south of the bridge, but traffic is extremely heavy, a Division of Highways spokesman in Sacramento said.

BASIN BRIEFS

Hospitalized — Thomas J. Jackson, pioneer resident of the Wood River Valley, is a patient in a Los Angeles hospital where he underwent amputation of a leg last week.

Joan Loosley — left Fort Klamath Thursday for Portland where she will again be employed for the school year at the Woodstock Elementary School. En route she stopped off at Eugene to visit her sister and family, the Olaf Carpenters.

To Germany — Mrs. Bill Nicholson and small son, Larry, left Fort Klamath last week to join her husband at Frankfurt, Germany. She expected to arrive there Saturday.

Surprise Visitors — at the home of Mr. and Mrs. William C. Martin at Fort Klamath last week were former Klamath Falls residents.

denis, Mr. and Mrs. Clarence Harmon who now live at Kansas City.

Family Night — The Chiloquin Methodist Church will hold a family night Tuesday at 6:30 p. m. A potluck supper will be followed by a film strip and program.

Yreka Water Use Reduced

YREKA — Irrigating times will be cut three hours per week for Yreka householders, and restrictions will be placed on public agencies which maintain gardens or lawns in the Yreka water service area, the Yreka city council decided last week.

The new restrictions went into effect today.

Householders, who have been irrigating lawns for three hours each on three nights a week, will be reduced to two hours for each watering period. Irrigating zones remain unchanged, and residents will water on the same nights as in the past. Public bodies, including the county, state, school district, and city park, will water from 8-12 a. m., Mondays, Wednesdays and Fridays. Up to now, they have been watering as they pleased, although the regulations have not specifically given them this right.

Fire Destroys Power House

YREKA — A power house on the Hammond Brothers ranch in the Moffett Creek area west of here was destroyed by fire Thursday, State Division of Forestry fire dispatcher Larry Kirton reported today.

Kirton said that the blaze broke out at about 4 p. m., and was probably due to faulty wiring. One generator was destroyed and another was badly damaged.

The power plants were used to supply power to the ranch house. The fire spread to a gasoline drum outside the powerhouse, which exploded damaged a chicken house.

No damage estimate was available. Two fire crews from Fort Jones answered the call.

CONFERENCE

MARSEILLE, France (AP) — Former Premier Pierre Mendès-France boarded the Turkish ship Adana Monday bound for Istanbul where he will attend a conference of the International Monetary Fund. On his return, he will visit Yugoslavia at the invitation of Marshal Tito.

Check Charge Term Given

YREKA — Verle Clarence Wickman, 37, of Redding, who pleaded guilty to two counts of forgery, was sentenced to state prison for the term provided by law last week by Superior Judge Albert F. Ross in Siskiyou County Superior Court.

The offense carries a sentence of from one to 14 years. Length of Wickman's sentence and the institution to which he will be committed will be determined by the State Adult Authority.

He pleaded guilty to passing forged checks on Stockwell Motors of Yreka to Peter H. Malloy and the Evans Mercantile Company, both of Seiad Valley. He was captured by sheriff's deputies July 23 after a wild 80 mile an hour chase on the Klamath River Highway and U.S. Highway 99.
