## Blast Area About Back To Normal

WHITING, Ind. (AP) — Nearly all the 1,700 persons evacuated from the area near the Standard Oil Co. (Indiana) refinery fire Saturday have returned to their homes.

All but a few of the dwellings in the 60-block area have been pronounced safe and the National Guardsmen no longer patrol the streets.

Firemen still are pouring tons of water onto the twisted steel as the charred wreckage continues to smolder. The fire is contained in a 10-acre area of the 1,600-acre storage and manufacturing plant.

Standard has estimated damage to the plant at more than 10 million dollars and loss in crude oil and products at some 42 million gallons.

At Indianapolis last night, Leonard Blaylock, FBI special agent, said he was asked a meeting with Standard officials to study causes of the explosion that set off the fire. Two persons died and 45 were injured.

## Floods Affect 49,441 Families

NEW YORK (AP) — The latest count by the American Red Cross shows that 49,441 families suffered losses in the Northeast floods of nearly two weeks ago. The agency figured its relief costs will go over 10 million dollars.

The revised figures were issued yesterday. Previously the Red Cross had counted 39,651 families suffering losses and not its aid at eight million.

So far, a special flood relief drive by the Red Cross has brought in over five million dollars collected by chapters across the nation.

The Red Cross said 13,169 families have indicated they will apply to it for rehabilitation aid. The organization figured this would take up 80 cents of every Red Cross dollar spent in the disaster area.

The Red Cross report also said 143 deaths directly caused by the flood have been confirmed by civil authorities. Of 5,909 persons injured, 252 required hospitalization.

The state-by-state breakdown of families who suffered flood losses: Connecticut, 31, 193; Pennsylvania, 8,211; Massachusetts, 5,100; New Jersey, 2,206; Rhode Island, 1,262; New York, 1,360.

A total of 1,314 homes were destroyed, 4,905 seriously damaged, and 15,251 damaged to a smaller degree.

## NLRB Bars Vote Of All Employees

WASHINGTON (AP) — The National Labor Relations Board today voted 3-2 to prohibit an employer from insisting a union win prior approval from both union and nonunion employees before calling a strike.

An NLRB majority held the Wooster, Ohio, division of Borg-Warner Corp. failed to bargain in good faith by demanding contract clauses requiring an approving secret vote among all its workers before the CIO United Auto Workers could call a strike or seek contract changes.

The ruling is contrary to a 1953 decision of the U.S. Court of Appeals at Chicago. That court held

employees could properly seek such clauses in labor contracts.

In the Borg-Warner case the majority held that an employer's effort to have bargaining decisions made by all employees amounted to undermining the union's position by dealing directly with workers.

In a strong dissent, outgoing Chairman Guy Farmer, whose term has just concluded, accused the majority of trying to determine what was good and bad in collective bargaining demands when this would be better left to unions and management.

Philip Ray Rodgers, an Eisenhower appointee who has been designated as the NLRB's acting chairman, teamed on the majority

## Frances Langford, Jon Hall Split Up

STUART, Fla. (AP) — The 17-year marriage of actress Frances Langford and actor Jon Hall has ended in divorce.

The decree was granted last Tuesday. An attorney said the divorce was "amicable" and the property was divided in an agreement signed Friday.

They were married in June, 1938, and there were no children.

## City Bars Employees From Joining Union

DALLAS, Tex. (AP) — Dallas firemen and other city employees were under notice from the City Council today that they will be fired if they join a union.

The vice president of the AFL Firemen's Union, Capt. Jack Bostick of the Fort Worth, Tex., Fire Department, had informed the Council the union planned a court challenge to the city ordinance. The Council resolution yesterday was a reply of sorts to Bostick.
